When Pentecost Came Upon Livingstone!

Dear Friends,

Greetings in the name of the Lord Jesus!

"The blind receive their sight, and the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised up, and the poor have the gospel preached to them." Matt. 11:5

In this letter, I want to report on our crusade in Livingstone, Zambia. The town of Livingstone lies next to the fabled Victoria Falls, one of the Seven Wonders of the World. This is where the mighty Zambezi River cascades

390 ft down into a gorge as a mile-wide waterfall. On the other side of the Zambezi lies the city of Victoria Falls in Zimbabwe. We had crusades in each of these towns, but in this newsletter I will report from the first crusade, which was held in Livingstone.

Livingstone is named after the famous missionary and explorer Dr. David Livingstone, who was the first man from the outside world to penetrate the heart of Africa. He discovered Victoria Falls which he named after Queen Victoria, who at that time was

the empress of the British Empire and India. Livingstone was a powerful man of God, a very skilled physician, missionary, explorer, and he did everything he could to stop the slave trade in East Africa. What an honor for us to hold a crusade in a town named after him!

We had been to Livingstone and held a crusade 9 years ago, but in Africa the turnover of population is very rapid. Life expectancy is low, people die, new children are born, and young people grow up. Therefore, the demograph-

ics change every few years. The Gospel is to be preached not just to every town and village, but also to people of every generation. This is why we returned to Livingstone.

I must mention that on the second night of the crusade a young pastor came to me and introduced himself. He told me that he had received Jesus at our last crusade and was now the pastor of a local church!

I remembered him as soon as I saw his face. He had been possessed by demons. When the Holy Spirit moved upon the crowd, he rushed up to the platform to attack me. We got hold of him first and cast the devils out of him. The next day he apologized, saying that he had been controlled by the devil and he did not know what he was doing.

I have often thought of what had happened to him, and I was delighted to see

Go Ye into all the World and Preach the

this very same man stand before me as a pastor! All the glory to Jesus!

Working together with the local churches, the crusade in Livingstone was very well prepared by our Africa team led by Pastor Mavondo. There was also a team of friends from Sweden and Norway who accompanied me to the crusade. Expectations were high!

The nights were very cold since it was wintertime in Africa. That, however, did not deter the people from coming. The Spirit of the Lord began to move from the very beginning and multitudes of people received the Lord Jesus Christ. The crowds grew every night, and huge numbers of people prayed the sinner's prayer with us each evening.

Word of what the Lord was doing in the crusade spread through the area, and many

came from far and wide to hear the Gospel. The meetings were also broadcasted on nationwide radio. In the afternoons, Janey and Svetla held a children's crusade with over 1500 kids attending each meeting.

As the message of the Gospel went forth each night, one could see how the people were gripped by conviction and how they responded to the Gospel message, seeking the Savior who so graciously saves sinners.

The Lord also gave great grace confirming His Word with many signs, wonders, and miracles. I remember clearly the first two days how so many deaf ears were opened. Then a man who had been unable to stand or walk for years began running, dancing, and glorifying God! There was also a little 10 year old girl who had been born totally deaf and mute, who

began hearing and speaking after Jesus touched her.

The week continued with an avalanche of miracles. We saw large numbers of people being healed from all kinds of diseases and infirmities. There were crippled people who got up and walked, blind eyes that were opened, and deaf ears that now hear.

There was an unusually high number of people who were born deaf and mute. They had never heard nor spoken a single word, but after Jesus touched them they could hear and speak!

Here are a few examples of the huge number of healing testimonies that we recorded:

Diana, 9, was born totally deaf and mute. Jesus healed her, and she can now hear and speak!

Joyce Mubu, 14, was born totally deaf in both ears. Jesus healed her, and she can hear!

Top: This paralyzed woman rejoices as she begins to walk! Bottom: This deaf and mute boy can now hear and speak!

Shillah Litaganji, 44, had tumors all over her legs which made it difficult for her to walk. Jesus touched her, the tumors completely disappeared, and she is totally healed!

Raphael Phiri, 35, was completely blind in one eye for 6 years. Jesus healed him, and he can see!

Munkomlowe Mwalulunje, 7, was totally deaf since birth. Jesus healed him, and he can now hear!

Cynthia Musanka, 15, was born totally deaf and mute. Jesus healed her, and she began to hear and to speak!

Liya Musline, 33, could not stand or walk, and was brought to the crusade by a friend. Jesus healed her, and she started running!

Left to right: This lady was paralyzed and is now healed! God healed his blind eye!

Gospel.

Japhet Chengwe, an elderly gentleman, was both lame and blind. God opened his eyes. He could see and he also began to run!

Pretter Fealanga, 26, had a large tumor on her neck. Jesus healed her, and the tumor disappeared completely!

There was great joy in the crowd each night as they saw the wonderful works of God. It was irrefutable proof that our Lord Jesus Christ was not just a religious figure, but that he is the Savior and healer of the whole world and that He is alive!

We serve a living God. In my years as a Muslim I was taught in Islamic doctrine that God has been silent and has not spoken for 1400 years. But we serve not a silent God, not a dead God, but a living God who takes an active interest in the affairs of men and the lives of people. He is the God who desires to save sinners, and to heal the sick

and the brokenhearted. The God who loves the world so much that He gave His only begotten Son that whosoever would come to Him would not perish but have eternal life. What a privilege it is to serve our wonderful Lord Jesus!

On the last night of the crusade, the Holy Ghost fell with great power, and thousands were baptized with the Holy Ghost and with fire. It was a true Pentecostal outpouring, and the whole field was engulfed, as it seemed, in a tidal wave of Fire! The roar of thousands of voices rose to God speaking in tongues for the first time. The meeting ended with the entire multitude shouting and praising God, it seemed to go on for ever and ever!

The Power of God rested over the crowd, and I do not exaggerate, literally thousands were healed! Tumors disappeared,

twisted limbs were made whole, deaf ears and blind eyes were opened. One old man, totally lame and blind suddenly began to see and walk; rejoicing and praising God. The crusade ended in a great note of victory. All Glory to our Lord Jesus!

We have since received wonderful reports of revival in Livingstone. The crusade ended on a Sunday night, and according to our standard practice, follow up of the new believers began the next day.

A few days later, the pastor who is the chairman of the ministers fraternal in Livingstone, went to my team, who were at that time in Zimbabwe, and gave an update about what had taken place in the few days since the crusade. He reported that all the pastors had gathered for a meeting to discuss the progress from the first few days of

follow-up. He was surprised to see that there were a number of pastors of local churches that had not even participated in the crusade. Each one of the pastors present was very excited.

There was a spiritual awakening of massive proportions in the town as a result of the impact of the crusade. Multitudes of people were coming to the churches. They were also going to the homes of the pastors and asking them when they could attend services. They expressed that they had given their lives to Jesus and they had seen the miracles of God and that they wanted to follow Jesus and become His disciples.

The whole town had been moved by the power of God. Even churches that had not shown any interest in the crusade had received an influx of new believers.

These pastors were now broken and repentant that they had not participated in the crusade. He also added that a great number of outstanding miracles

had taken place during the crusade, but those healed were too dumfounded or shocked to come up and testify of the things that God had done for them. In the days following the crusade they had gone to the churches and told the pastors of what had happened to them.

There is a spiritual awakening of large proportion in Livingstone, and the whole town has been shaken by the power of God. We give all the glory, honor,

and praise to our Lord Jesus, because He alone is worthy.

Thank you for praying for us, for your financial gifts to this ministry and for joining you faith together with us. Through your generous giving you are partakers of the fruit that comes through the Gospel!

We have an intensive period ahead with 3 upcoming crusades. Two will be in Malawi, and one in Cambodia. We need your help. Our budget for is around \$ 40,000. In addition to this, we urgently need cash to purchase two new vehicles; our old ones each have over 250,000

miles on them! Each vehicle cost approximately \$28,000. We are thankful for the vehicle that has already been provided by givers in Europe. If everyone obeys what the Lord puts in their heart, we can do it!

May the Lord Bless you in your endeavors of faith!

In Christ Jesus,

Christopher & Britta Alam
