Victory in Pumula, Zimbabwe!

Dear Friends,

I am reporting on a recent crusade which we held in Pumula, a township outside Bulawayo, the largest city in southwestern Zimbabwe. As I have mentioned in recent newsletters, Zimbabwe is going through very difficult times economically. In spite of this, there is a wonderful hunger for the Gospel in the hearts of the people.

We have seen evidence of this in our crusades throughout the year, and I'm thankful and blessed to report that we have reaped a tremendous harvest of souls.

We are systematically going through the cities and townships of Zimbabwe, preaching the gospel, and bringing as many souls as

possible to the saving knowledge of Christ and into the kingdom of God. This crusade is part of this strategy, and as always, the crusade was well prepared by our Africa crusade team, which is led by Pastor Nicolas Mavondo. Together they worked hand-in-hand with the local churches of Pumula.

There was tremendous excitement and expectation, and the power of the Lord moved in our midst right from the beginning of the crusade and continued until the very end. In fact, I must convey on behalf of my team and myself that our hearts are overwhelmed by the mighty things that the Lord did in Pumula.

The Gospel went out with clarity and power. It brought great conviction into the hearts of the

multitudes that came to hear God's Word each night, and huge numbers of people gave their lives to the Lord Jesus. There were all kinds of people; prostitutes, criminals, Muslims, Rastafarians, as well as, "ordinary" people and Jesus touched them all. They responded to the altar calls; giving their lives to the Savior and receiving salvation.

The Lord also gave great grace and confirmed His Word with many signs, wonders, and miracles. So many amazing things happen that to recount them all would be an exercise in futility. However, I will share some of the miracles that really stand out.

One woman's amazing story began 25 years ago when she started hearing strange voices. Twelve years

later demons totally possessed her and caused paralysis in her legs. For the past 13 years she was unable to stand or walk. Each time her family attempted to carry her outside the house there were terrible demonic manifestations. She would scream and violently try to tear her clothes off her body.

In desperation, her family took a chance and brought her to the second night of the crusade where Jesus healed her and set her free. She later told me, "As you were praying, something left me; it fell off me and I was free."

She got up and began to walk and run, totally sound in body and mind. As a result, her entire family came to Jesus! Throughout the week, she testified to her neighbors and fifteen of them also came to the Lord. On the first Sunday after the crusade, she went to church and brought all of them with her! All glory to Jesus!

There was a little girl who lost her mother. Something happened in her body as a result of the terrible grief she experienced; she was paralyzed for 2 years and unable to walk. Jesus

healed her, and she began to walk and run!

Jesus touched a blind and deaf lady who, on the last night of the crusade, brought her daughter who had not walked for seven years. He also healed her daughter and she began to walk, rejoicing and praising God!

A pregnant lady experienced an amazing and wonderful miracle. She was 10 months pregnant – a whole month past her due date. The baby was lying sideways in a "breech position". The doctor at the local hospital said that both mother and child would die unless he operated on her immediately. Instead she chose to come to the crusade, trusting that Jesus alone would heal her and protect her child.

That night as I began to call upon the mighty name of our Lord Jesus, her labor pains began. The baby miraculously turned around, changing positions in her womb. The next morning she naturally gave birth to a healthy little boy. She returned two nights later to testify and to show us her baby!

Jesus also touched a lady who was both blind and paralyzed! A boy, who was born mute, spoke

his first words when Jesus healed him. Additionally, we saw several blind people healed, deaf ears opened, and many others healed from a multitude of diseases and infirmities.

On the last night, a large number attending were baptized with the Holy Ghost and with Fire. It was Pentecost! People were weeping, shouting, speaking in tongues, falling to the ground, and caught up in the Spirit of God. What a glorious end to a Gospel crusade!

*What a wonderful Jesus we serve!
Hallelujah!*

Clockwise from top right: This woman was demon possessed and paralyzed for the past thirteen years - Jesus delivered her and now she is healed and free! God opened this girl's deaf ear! the gospel.

From left: God healed this crippled lady - now she dances for joy! Together with retired General Supt, we pray a blessing over the miracle baby who was born during the crusade.

We want to thank you for your love, support, and prayers!

This year has been a wonderful year, and by my reckoning we have seen over a million people respond to the altar calls for salvation. God has done some wonderful and amazing things. Entire cities have been touched by the Gospel of Jesus. We are thankful to the Lord to be part of this great end-time harvest of souls for the Kingdom of God.

All this is made possible because of churches and individuals who have great hearts for the Gospel. They have chosen to join their faith together with us; to believe God with us and to pray for the ministry. Additionally, many stand with us through their generous financial support.

In 31 years of ministry, I have never had to write to a church asking them to consider supporting us as their missionaries. The churches and individuals who support us have done so because they have sensed the Lord joining their hearts with ours and directing them to support the ministry. Because of this, it is not

only their financial resources they share with us, but also their love, faith, and passion for souls. I would not want it any other way!

Currently, we are doing some major humanitarian work in Zimbabwe. Many have given to help provide food and to drill boreholes, or wells. Please keep this project in prayer; for continued favor and wisdom.

Looking ahead to next year, we are planning 10 major crusades and three large Schools of Ministry for pastors and leaders in Africa.

We are also continuing with our evangelism and church planting operations in Asia; despite the difficulties and the persecution that Christians are experiencing. Our vision to preach the Gospel in this closed nation is undiminished, and the resolve to do so remains unshaken. We praise God that we have already planted 104 churches in the unreached areas and by His grace we will press on to plant more!

Great things are in store for us, and we are excited! All glory to our Lord Jesus for all that He does!

Thank you for standing with us for this glorious Gospel of our Lord Jesus!

In Christ,

Christopher and Britta Alam
