Signs and Wonders in George, Zambia!

"And they went forth, and preached every where, the Lord working with them, and confirming the word with signs following. Amen." Mark 16:20

Dear Friends,

I am reporting from our recent crusade in George, Zambia. Pastor Mavondo, our Director in Africa, had to stay in Zimbabwe to take care of legal matters pertaining to the ministry, so our team was led by Janey Menzies who prepared the crusade very well together with the local churches. The congregations in George were very enthusiastic and large numbers of their church-members were trained through our Mobile Bible School in preparation for the crusade.

The crusade began with a huge crowd gathered to hear the Gospel. There was a mighty move of God's power as a multitude of people responded to the altar call for salvation that first night. Then came the miracles – many deaf ears were opened, tumors disappeared, and many were healed from a host of diseases and infirmities.

Towards the end of the night as we were about to close the service, a lady came running to the crusade from her house

which was located several hundred yards away. She sat in her house as we prayed a mass-prayer for the sick and a three inch long bone that had been growing and protruding out the front of her rib-cage disappeared instantly. She came running to the crusade ground to testify of what the Lord had done for her!

The first night set the tone for the rest of the crusade. Every night, we saw huge multitudes of souls come under great conviction and respond to the call for salvation through Jesus Christ. God also gave great grace and confirmed His Word with signs, wonders, and miracles. Every service was packed with wonderful testimonies of God's healing power. We saw lame and paralyzed people who were carried to the crusade get up and walk, many deaf ears were opened, blind eyes began to see, tumors disappeared, and many

demon-possessed people were set free by the power of the Name of our Lord Jesus.

The crowd greatly rejoiced with each testimony; they shouted, cheered, and praised our Lord who alone is worthy of glory, honor, and praise. We recorded many wonderful testimonies, and here are some that I remember as I sit in my hotel room in Singapore:

A lady who had been paralyzed for several years was brought in a

wheelbarrow. She got up and walked. Additionally, her stomach was severely bloated and full of liquid. After she was healed and began walking, she started to vomit up all the liquid that was in her stomach and it began to go down in size. There was also another paralyzed lady who got up from her wheelchair and began to walk.

One miracle that really gripped me was when a young mother testified of what the Lord had done for her baby. The baby was born with brain-damage and also had a paralyzed and immovable neck. The baby never made eye contact, never smiled, and never responded to her mother in any way.

On the first night of the crusade, Jesus touched this little baby, and the baby suddenly "came alive." She smiled, followed her mother with her eyes, looked at, and even reached out to touch her mother. She also made "baby-noises" and responded when her mother called her name.

The mother rejoiced since her baby had never done any of these things before, but the baby's neck was still paralyzed and immovable. She kept on coming back to the crusade, and 2 nights later Jesus touched her again and the paralysis was gone. The baby was totally healed!

What a wonderful Jesus we serve!
Hallelujah!

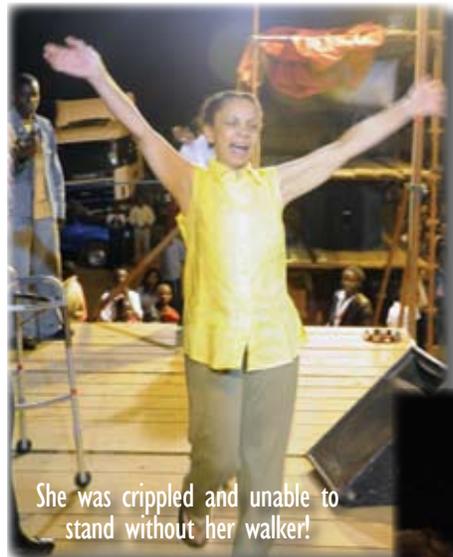

Then there were 2 turbaned brothers of Indian origin, who are champion professional rally drivers at international level. Both of them are saved, on fire, and serving the Lord,

and they brought many people to the crusade to be saved and healed!

They brought a lady in her fifties who could not walk and could only move very slowly with a walker. God touched her, and she left her walker and began to walk, then run, totally healed!

Another person they brought was a champion swimmer who was deaf. In competitions, she had to be tapped when the starting gun would go off. God touched her, and opened her ear!

They also brought a very skeptical English couple. The husband was totally blind in one eye and he began to see. Both husband and wife were then wonderfully saved. By the end of the

She was crippled and unable to stand without her walker!

service this very conservative English couple was dancing with us and praising Jesus!

The miracles continued with many deaf people healed – a boy born mute who had never spoken a word in his entire life began to speak. Also, large tumors disappeared and demon-possessed people were set free.

On the last night, our “Holy Ghost Night”, the Lord told me to preach on the Blood of Jesus. I heard Him say “I always answer Blood with Fire!”

There is something about preaching on the Blood of Jesus that brings great conviction upon sinners. We saw a huge multitude receive Jesus that night.

When it was time to minister the baptism with the Holy Ghost and with Fire, the Spirit of God began to stir in the crowd as I was still instructing the people and they began to speak in tongues even before I began to pray.

Then the Fire of the Lord fell, and a roar went up from the crowd as over 20,000 people were instantly baptized with the Holy Ghost and with Fire. As Pentecostal flames came down, the praises of God in other tongues ascended to the heavens, and God responded with wave after wave of glory. The field seemed ablaze with the glory of God. People were speaking in tongues, weeping, falling under the power, and shouting. It was indescribable!

That last service ended with uninhibited singing, praising, shouting, and dancing. The huge field, packed with humanity, was alive and rocking with the praises of God. Nobody wanted to go home!

For all of this we give all the glory, honor, and praise to our Lord Jesus, who alone is Worthy!

Thank you for your love, prayers, and financial support of the work of the Gospel, enabling us to go out and reach sinners with the life-changing message of the Gospel of Jesus.

We are aware of the times we live in. The US Dollar has depreciated in value by around forty percent, making our missionary efforts much more costly. In addition to that, prices of just about everything have gone up. At the same time, we do not want to cut down on our crusades or church-planting efforts, because the eternal destinies of sinners are at stake.

What do a few thousand dollars here or there matter compared to whether people are going to spend eternity in heaven or in hell?

We covenant with the Lord and with you to press on like never before, and we are asking you to do the same. Please do not stop giving to the Gospel just because times are difficult. Both you and I know that the preaching of the Gospel is the #1 item on God’s agenda and we have put our hand on the plow and we cannot stop and look back.

So please, stay in faith, keep up your giving, and expect great things from God! We are on the winning side!

“And let us not be weary in well doing: for in due season we shall reap, if we faint not.” Galatians 6:9

Cyclone Aid for Burma

Tropical Cyclone Nargis which hit the Irrawaddy delta region of Burma on Saturday, May 2 and Sunday, May 3, has caused vast devastation. Tens of thousands of people are dead and missing, and there are estimates that nearly 1 million could be homeless in the wake of this disaster.

(A cyclone is the same as a hurricane or typhoon)

Due to the storms effects on the country’s infrastructure, we currently do not have information on our team, churches, or church planters.

Please help us get urgent aid to these hurting and helpless people who have lost everything.
