# Harvest Time in Emganwini!

Emganwini is a township located outside the city of Bulawayo in Zimbabwe. The pastors in Emganwini had been asking us for over four years to come and hold a crusade in their town. This was very important to them because they had a vision to reach the community with the Gospel, and also the fact of the matter was that Emganwini had never been touched by a Gospel Crusade.

We decided that this was the right time to reach Emganwini. The pastors and churches in the town responded wholeheartedly. The usual Mobile Bible School training program that we run before every crusade was received with an overwhelmingly enthusiastic response. For six nights a week, for three weeks, hundreds of people attended the school and were trained to follow up with new believers and to do the work of the Gospel.

God began to move in the churches even before the crusade started. Through the Mobile Bible School and other training sessions held by my team, a spirit of revival came over the town and swept through the churches.

This was the atmosphere in which we began the crusade. Emganwini is quite spread out, and the only field available for the crusade was actually located outside the town. In spite of the freezing cold weather in the evenings, which is unusual for this time of year, great multitudes of people came out to hear the Gospel every night. Some people even walked up to 10 km each way from their homes in order to hear the Word of God. To see such spiritual hunger in the hearts of people is truly a humbling experience.

As the Gospel message went forth, multitudes of people received the

Lord Jesus and were saved. We saw many wonderful miracles, as the Lord gave great grace and confirmed the Gospel message with signs following. We saw many demon-possessed delivered, and blind, deaf, and crippled people were healed.

There were two outstanding miracles that really stuck in my mind from this crusade. The first was what the Lord did for a lady called Mrs. Ncube. She lay dying in her house about 1 km away from the crusade in an advanced stage of cancer.

Mrs. Ncube's belly was huge and swollen, and a drainage tube stuck out of it in order to drain the liquid. She lay on her bed and was unable to move or to walk. She listened to the preaching of the Word of God and put her hand on her belly when she heard me pray for the sick.

Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8

As I prayed, her belly went down to normal size and her stomach became flat. All the pain went away, and for the first time after so long she stood up and began to walk. She was taken to the hospital where the doctors examined her, ran some tests, and finally confirmed the good news that she was totally cancer free!

Mrs. Ncube was a believer and this testimony was related to me by her pastor who, along with his congregation, was participating in the crusade.

The other miracle that the Lord did was for a young man who was paralyzed and unable to walk. He was brought to the crusade in a wheelbarrow pushed by one of his friends. On the first night, he got up out of the wheelbarrow and began to walk, although with much difficulty. He came back the next evening and this time he ran, jumped, and leaped all over the place, praising and giving glory to God!

On the last night, the Holy Ghost fell with great power and a large multitude was baptized with the Holy Ghost and with Fire. It was wonderful and a powerful ending to this crusade that shook the town of Emganwini.

Thank you for your love, prayers, and support which make it possible for us to take the Gospel to the lost in such far off places!

We have big plans for the end of this year: Burma, Indonesia, Lebanon, Jordan...

As I write, we have exhausted our crusade funds and need your help and your support. Do pray and ask the Lord as to what He would have you sow into the fertile soil of the Gospel. Thank you for your love and generosity!

*"When the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come."* Mark 4:29

The Lord bless you richly, and in all things!

In Christ,

## Healing Testimonies

Tracy Mpofo, 24, could only move with great difficulty. Her legs were totally numb and paralyzed. Jesus healed her, and she could walk and run with ease!

Foster Mpofo, 46, was deaf in his right ear since childhood. Jesus healed him, and he can now hear perfectly!

Jesus healed Tendayi Sibanda, 39, who was deaf in his right ear, and he can now hear perfectly.

Phumuza Moyo, 26, had been in a traffic accident which had left him crippled. He could only move slowly with crutches. When Jesus healed him, he threw his crutches away and ran!

For nine years Ernest Kaingizi, 34, could not walk. Every time he would try to walk he would fall down to the ground. Jesus healed him and he can now walk perfectly!

Dabirai Sholi, 25, was deaf in both ears. Her husband brought her to the crusade where Jesus healed her. She can now hear perfectly!

Sithembile Dube, 54, who could not walk, was brought to the

crusade by his granddaughter. Jesus healed him, and now he can now walk and run!

This deaf man receives his hearing!

## The Fruit That Remains

I must mention here the testimony of Pastor and Mrs. Stanislaus Vavashe who I met during this crusade. They are highly respected pastors of a successful church in the community.

Pastor Vavashe testified that they received Christ and were saved in a crusade that I had held in the nearby town of Nkulumane in 1992. They were broke and very poor. He saw posters advertising our crusade and decided to go and see what was happening. This is what Pastor Vavashe shared:

“At the crusade I watched and listened attentively to Pastor Christopher’s preaching for three days. I did not respond to the altar call on these days but watched intently.

I witnessed people with crutches going home walking, the blind going home seeing, the deaf hearing, and people carried in on pushcarts walking on their own. He asked people to surrender stolen goods and weapons. The response was amazing, knives, watches and marijuana was surrendered. I remember a boy who surrendered an expensive watch. Pastor Christopher gave him money to buy a new watch. I was surprised.

So many people were being saved. I felt sorry for myself because I had no Jesus. The fourth day was my day. That was the day I received Jesus as my Lord and Savior...”

After the Vavashees received Jesus, they decided to follow him wholeheartedly in a local church. God blessed them greatly during this time. As Mrs. Vavashe said to me, “The Lord literally picked us up off the dust.”

Today, this couple is serving the Lord. They have six children, all serving the Lord. The two younger ones are in high school and the older ones have all gone through college. One is a pilot, and another is a linguist. God has truly blessed this family richly!

During these past couple of years I have had the privilege of meeting many pastors who have successful ministries today and who testified that they all first heard the Gospel and received the Lord Jesus at one of our crusades.

This is the fruit that remains! All glory to Jesus for all that He has done!

This woman rejoices after receiving her hearing and her sight!

This young man could not walk, and now he pushes the wheelbarrow in which he was brought to the crusade!

This man was crippled, but now he walks!
