## Harvest in Nkulumane!

**N**kulumane is a township located outside the city of Bulawayo. We had been there before, with our first crusade held 18 years ago, in 1992. Nkulumane, in those days, was overrun by armed gangsters, who terrorized the town, and by satanic cults. Most of the gang leaders and criminals received Jesus at our crusade and large numbers of Satan-worshippers were also saved.

Every night after the crusade service, teary-eyed newly converted gangsters would come to me and hand over their weapons. On the last night, we burnt two 40-gallon oil drums filled to the brim with weapons, drugs and robes and paraphernalia used in satanic worship. After the crusade, the gangs and the cults simply ceased to exist!

During this crusade, huge multitudes came up to hear the gospel every night. The people were very respectful and listened intently as

the Gospel lessons were preached. Every night at the altar call, we saw these multitudes come under conviction and give their lives to Jesus Christ. God gave great grace and confirmed the Gospel message with signs, wonders, and miracles.

One night I preached on the name of Jesus. The people began to shout, "Jesus! Jesus! Jesus!" As they called out that worthy name, the power of God fell upon the crowd. All over the place demon possessed people began to fall on the ground screaming and miracles began to happen with many people being healed.

Nothing can stand against the mighty name of our Lord Jesus. This is because God has highly exalted Him and given to Him the Name that is above every Name. When the believer speaks His name, demons tremble and diseases have to go!

Something similar took place a couple of nights later when I was preaching on the sufferings of our Lord Jesus upon the cross, when He bore upon Himself our sins and our diseases. Suddenly, in the middle of my message, demon possessed people began to fall down on the ground screaming as the devils came out of them, and many people were healed.

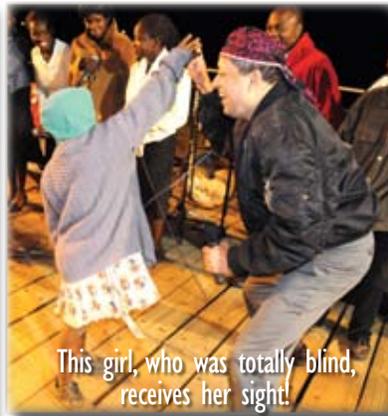

Here are a few of the many wonderful testimonies of healing and miracles that our workers recorded:

*Simongele Nkomo, 10, had been totally blind since he was seven. His mother heard of the crusade in their home church and brought him to the service. Jesus healed him, and he can now see perfectly!*

*Tandiwe Nyamuda, 51, was deaf in her right ear, and she could not use her right arm. Jesus healed her, and she can now hear and use her arm.*

She was deaf in her ear since birth, and can now hear!

This girl, who was totally blind, receives her sight!

God healed her right arm which was paralyzed!

God healed this blind boy!

*Silindile Nyathi, 38, had a huge tumor in her stomach, causing her to look like a woman in an advanced stage of pregnancy. Jesus touched her and in an instant the tumor disappeared and her stomach was flat again.*

*Sakoluhle Khunalo, 39, could not walk. In addition to this, she was also blind and could only see shadows in front of her. Jesus healed her from everything. She began to see perfectly and ran and danced for joy!*

*Juma Maseko, 72, had lost his sense of balance 13 years ago and could not stand or walk without the aid of his staff. Jesus healed him, and he ran and danced!*

*Sthandazile Ngony's, 16, was blind. Jesus healed her, and now she can see clearly.*

*Dorothy Munyati, 51, was HIV positive. Because of the effects of AIDS in her body, both her legs were extremely swollen, and she could not walk. Jesus touched her. Her legs were normal again and every symptom of disease that she could feel totally disappeared. She got up, walked,*

*ran, and leaped for joy at what the Lord had done for her.*

*Elvis Ndlovu, 32, could not walk. Jesus healed him totally. He got up and began to walk, and all the pain that had ravaged the rest of his body totally disappeared.*

*Leazah Moyo, 82, was blind in both eyes. Jesus healed her, and she can now see perfectly. In addition to that, she had such pains all over her body that she was unable to do anything. God healed her from that also.*

*Bhelani Moyo, 22, was deaf in his right ear since birth. He saw posters advertising the crusade and came with a friend. Jesus healed him, and he could hear perfectly with his deaf ear.*

On the last night of the crusade, thousands of people received the Baptism with the Holy Ghost and with Fire. It was a glorious sight to behold. When the Holy Ghost fell, it was as if a mighty explosive power had been unleashed over the field. In an instant, thousands of people were filled with the Holy

Ghost and began to speak in other tongues. Pentecostal flames came down from Heaven, and the praises of God in other tongues ascended to the Throne of God from the gathered multitude. Everywhere we looked people were weeping, shouting, and falling down upon the ground. Some were "glued" to the ground and could not get up. Others could not stop speaking in tongues, much to the consternation of their friends and relatives!

So powerful was the move of God that the Holy Ghost led me to extend the crusade by two nights. The whole city was excited. I had to fly home, but Pastor Mavondo and Janey preached instead of me. The crowds grew and God continued His mighty works. I am proud to say that the Lord has raised my team-members

up to a point where they can preach under a powerful anointing and be used mightily by God, for His Glory!

All Glory to Jesus for all that He has done!

Thank you for your financial support and your faith-filled prayers that God uses to make all this possible. Together we are bringing in the harvest! Hallelujah!

In Christ,

# PERILOUS TIMES!

These are perilous and difficult times. The financial security that this world's system has to offer is being shaken. Jesus spoke about our times, but encouraged us by saying, "See that ye be not troubled: for all these things must come, but the end is not yet" (Matthew 24:6).

We should not be troubled, because we are not slaves of this world's system. We are in the world but not of the world. I have seen that when Satan turns on his power, God responds with even greater power. And, the power of God is far greater than the power of Satan!

The world and its system may go up and down, but the Word of God is always constant. It says the same thing at all times without regard to circumstances. Not only that, but God said in Jeremiah 1:12, "I am watching over my word to perform it!"

Because of this, we know that no matter what happens to the world around us, we can be confident that for us it shall be as God has declared in His word. It cannot be any other way, because God is watching over His word and shall make it come to pass!

My advice to you as believers is the following:

## 1. STAY IN FAITH

It is times such as this that our Faith wins its greatest victories. There is no testimony without a test. There is no victory without a battle. Remember what Jesus said, "These things I have spoken unto you, that in me ye

might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world" (John 16:33).

When faith is tested, we who are of faith take our stand on God's Word. Your faith will see you through!

## 2. DO NOT FEAR

Jesus often said, "Fear not!" When you take your stand in faith, fear has to go. Fearful thoughts may come, but if you do not yield to them they will go just like the came – Just do not yield to them!

You are not going to go under! You are an overcomer!

## 3. KEEP ON GIVING

The worst thing you can do at this time is to hold back on your tithes and offerings. Keep on giving your tithe to your local church. Keep on giving to ministries like ours, who are reaching the lost, and to the missionaries and the orphans who you support!

Your giving is the key to your receiving blessings and provision from God in these tough times!

The Bible tells us how Isaac withheld not, but sowed his seed in the time of famine: "Then

Isaac sowed in that land, and received in the same year an hundredfold: and the LORD blessed him" (Genesis 26:12).

Isaac sowed in difficult times and God Blessed him a hundredfold that same year!

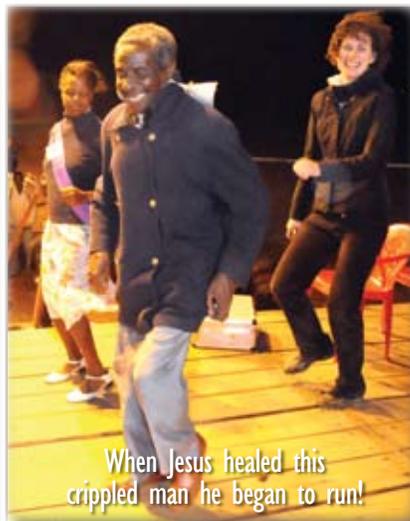

Proverbs 22:9 says, "He that hath a bountiful eye shall be blessed."

Have a generous eye, a generous heart, a generous hand, and you shall be blessed!

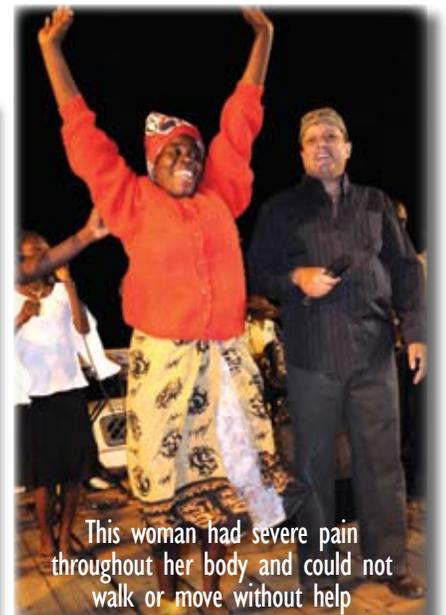

The Lord Bless you, and cause you to increase and do abound in all things. Thank you for your love, prayer and support. As we reach the end of the year, we ask you to prayerfully consider a generous year-end gift to help us reach, with the gospel, those that are lost without Jesus. Your generosity, your faith, and your love can make the difference!

She was paralyzed and could not walk, now she dances praising God!

When Jesus healed this crippled man he began to run!

This woman had severe pain throughout her body and could not walk or move without help
