Harvest in Luveve, Zimbabwe!

Dear Friends,

In this newsletter, I am writing to share with you about the great harvest of souls that we reaped at our crusade in Luveve in Southern Zimbabwe. As you have read in the media, the situation in Zimbabwe is very dire right now. Hunger, heartbreaking poverty, and disease are wreaking havoc in this beautiful

country that just a few years ago was “the breadbasket of Southern Africa.”

In the midst of this very difficult situation, there is a great hunger for the Gospel in Zimbabwe and we are privileged to be part of the great harvest in that nation. Actually, we are the only ministry holding large open-air crusades in Zimbabwe, and we are seeing huge multitudes coming to Jesus. This is because of the favor that God has given to us both with the authorities and with the churches. Additionally, in each community where we hold a crusade we are also drilling a well to benefit the local population.

The Luveve crusade was very well prepared by our Africa team working together with the local churches. There was great excitement

in the town and huge crowds came out to hear the gospel. Multitudes came under great conviction when they heard the gospel message of our Lord Jesus Christ. Our Jesus who died upon the cross taking our sins and our diseases upon his own self so that we may come out of darkness and live in the Light of Life.

God also gave great Grace and confirmed His Word with many signs, wonders, and miracles. We heard many testimonies, from people like 68 year old Helder Ndlovu, who received his sight, to 75 year old Lillian Dladla, who was deaf in one ear since birth. There were many testimonies from people of all ages – deaf ears being opened, crippled people walking, and all different kinds of healings and miracles as the Spirit of God touched the people.

Jesus Christ is the same today, and miracles go hand-in-hand with the salvation of souls, because both salvation and healing were purchased by Jesus for us with His own Blood on Calvary's Cross.

Go ye into all the world and preach the gospel.

On the final night, we saw thousands of people receive the Baptism with the Holy Ghost and with Fire, worshipping God and speaking in other tongues, their praises rising up to the Throne of God.

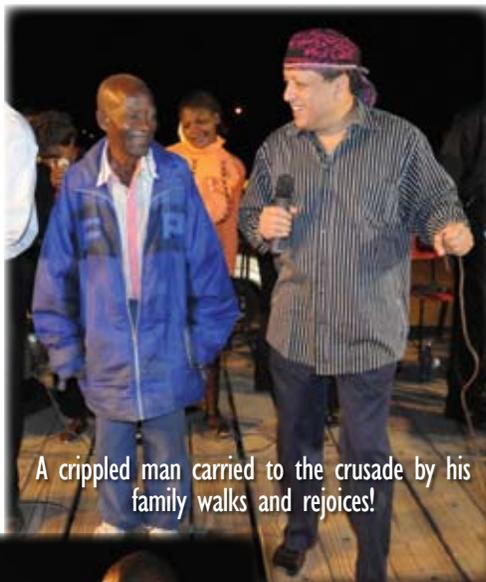

The Luveve crusade ended in a note of great victory. In the midst of the darkness that Zimbabwe has been experiencing, the light of the Gospel of Jesus Christ is shining. People are coming to Jesus by the multitudes, and He is setting them free! The harvest is both plenteous and ripe!

"Put ye in the sickle, for the harvest is ripe..."
Joel 3:13

May the Lord bless you in all things and cause you to increase and to abound in every blessing in Christ Jesus!

THIS IS THE TIME!

by Christopher Alam

The economic system of this world is being shaken. Along with the economic system people's lives are also being shaken. I read the other day about a very wealthy man in New York City who committed suicide after having lost a lot of money in a huge investment scheme which turned out to be the biggest Ponzi scam in history.

In our society, money is everything for so many people. Just imagine, a man coming to the conclusion that his life was no longer worth living just because he had lost his money.

The Apostle Paul said, *"Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God..."*

1 Timothy 6:17

Note that Paul is telling us that the riches of this world are fleeting and uncertain. They can be here today and gone tomorrow, and that is why we cannot put our trust in them, but only in the Living God, the Steadfast One whose WORD is solid and sure. So sure, that we can always trust in and build our lives upon Him and know that He is always True.

In times like this, the best thing that we can do is to sow seed into the fertile soil of the Gospel. Remember that *"your seed today is tomorrow's harvest!"*

The Bible tells us in Genesis 26:1, *"And there was a famine in the land, beside the first famine that was in the days of Abraham..."*

Then verses 12-14 tells us what Abraham's son, Isaac, did in that time of famine:

"Then Isaac sowed in that land, and received in the same year a

hundredfold: and the LORD blessed him. And the man waxed great, and went forward, and grew until he became very great: For he had possession of flocks, and possession of herds, and great store of servants: and the Philistines envied him."

Isaac sowed in the time of famine and God responded with abundant blessings. God blessed him so much so that the enemy envied him. After that we see Isaac going into a well-digging spree in the desert during that time of drought and famine, and each well that he dug yielded forth water. God was blessing him!

Finally, in verse 24 God said to Isaac, *"...fear not, for I am with thee, and will bless thee, and multiply thy seed..."*

So, this is time to sow seed. But it is also time for another very important thing; namely, **it is time for harvest!**

Our Lord Jesus said, *"Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together."* John 4:35-36

With the shaking of the economic situation in the world today, people who have put their security in the uncertain riches of this world are also being shaken. Because of this, people are open to hearing about Jesus and the Eternal security that He gives, more than ever before. We who are Christians must therefore share Christ with the people around us. We must preach the Gospel. This is the time!

"Multitudes, multitudes in the valley of decision: for the day of the LORD is near in the valley of decision." Joel 3:14

Each of you who are reading this have your own circle of friends and relationships, and that circle may be looked at as your "Mission Field". That is where God has planted you and that is where you can start by sharing Christ with those around you. Remember that just "living the Christian lifestyle" isn't enough, because there are also a lot of good people around who are not Christians! Furthermore, this is not about you or me or our godly lives; this is about Jesus and His Life which He gave for sinners. That is why the Gospel must be preached.

"... it pleased God by the foolishness of preaching to save them that believe." 1 Corinthians 1:21

Jesus healed her blindness!

Continued on back.

Even the most intelligent souls can feel foolish sharing something as simple as the Gospel with people. But, that is precisely the way that God has chosen. He chose that which is foolish to confound that which is "highfalutin' high and mighty!"

So go ahead, be a fool for Jesus! Win souls for Him!

"...he that winneth souls is wise." Proverbs 11:30

LASTLY, we need your help this year, so we need you to invest so that together we can reap a great harvest of souls this year.

We started this year with a crusade in Argentina (report coming next month), and we have 12 more planned for the year. Ten of these crusades will be in Africa as well as 2 more in Argentina. In addition to this, we are continuing to plant churches in unreached regions of Asia, in places where people have never heard about Jesus. We had over a million people receive Jesus last year and 14 new churches were planted in Asia. We are not going to do less than that this year.

The year-end giving to our ministry in December 2008 was unusually low. Also, other than a couple exceptions, the offerings that we have received from churches have been low. I am therefore turning to you our friends, partners, and partner churches to help us as much as you can. Our March crusades are paid for, but we have no funds for our two crusades at the end of April. The account is empty. We have never been in such a situation before, but our resolve to get the Gospel out to sinners and to plant churches remains undiminished. We are believing God to prosper you and us so that the Gospel can go forward unhindered!
