Argentina Blessings!

Dear Friends,

Greetings in Jesus Name!

We began 2009 with a "bang." On January 1, the first day of the year, Gabriel and I flew to Argentina for a crusade in the city of Rosario, about 200 miles northwest of Buenos Aires.

Upon arrival, I preached for the weekend at Pastors Juan Crudo and Alfredo Dimiro's churches in Buenos Aires. Both are dear, old friends who I have known for over 20 years. Juan Crudo has a membership of around 15,000 and Alfredo Dimiro about 3,000.

We had great services. Many people received the Lord Jesus and many were healed; including

many deaf people who received their hearing. The people were weeping and rejoicing! Because of the density of the crowd inside the buildings in both places, we could not call the people to come up and testify.

From there, it was on to Rosario. I was there for the first time 21 years ago and then back again several times. The crusade was held in a field in the outskirts of Rosario where my friend Pastor Norberto Carlini's

church had purchased a huge piece of land (about 300 yds X 300 yds). His present building is becoming too small for their congregation, numbering in the thousands, and their other

ministries including a school, Bible school, and an orphan program. In any case, I was there because he wanted to kick this new project off with a crusade!

Many of the Christians present at the crusade had received Jesus in my crusades in Rosario in 1988 and 1998. One of them was pastoring a local church. Many others were telling about the wonderful miracles that the Lord had done for them in those crusades so long ago.

In any case, the meeting began with some inspiring and rousing revival choruses from past

revivals in Argentina, I knew these songs and it brought a rush of warm memories from my old crusades in that beautiful country. I remembered the multitudes of sinners coming to the cross, the lame walking, the blind seeing, etc...

This time, thousands came out to hear the word of God and we saw multitudes come to Jesus. The Argentines are a very expressive people, and night after night I saw many weeping under great conviction as they responded to the Gospel and came to receive Jesus Christ.

The salvation of souls is what it is really all about! People must be brought under genuine conviction by the Holy Ghost and come to receive Jesus as their Lord and Savior. Genuine

red-hot salvations and transformations of lives is the goal!

The Lord also gave great Grace and confirmed His Word with many signs, wonders, and miracles. On the first night, thirteen people who were deaf in one or both ears were healed. Some had been deaf since childhood.

A young girl of about 8, who had been born severely premature and was paralyzed in half her body, was carried in by her parents. She had never been able to walk. Oh, the cheers, tears, and praises of the crowd when she stood up and walked for the first time in her life! Several other people who could not walk because of paralysis and other reasons got up and walked.

In addition, many others were healed from different diseases and infirmities. It got chaotic in the end with people rushing to the platform, so we could not get detailed testimonies from everybody.

What a mighty God we serve! Hallelujah!

On the second night, God continued His flow of signs and wonders. A little boy had a very complicated birth, as a result of which he had never walked and was deaf-mute. Jesus touched him and healed him. He then walked all over the platform. He could also hear perfectly, he articulated and repeated, very clearly, every word that I spoke!

As it should always be, as per the scriptural

pattern, the Lord confirmed His Word with wonderful signs following. A lady who had not been able to walk, after a severe accident, ran for joy, weeping. Another crippled person was also healed. About thirteen deaf people testified that God had opened their ears. A boy who was born blind could see perfectly. People with serious injuries that they had sustained at work, which left them incapacitated in some way, were also healed. All this happened on the second night.

The presence of the Lord was powerful in every single service and we heard many testimonies from people who were healed when our Lord Jesus touched them.

Another great piece of news was that the services were being broadcast live nationwide both on radio and on the internet. I also sat at the radio station one day and ministered live over the radio. People in Argentina keep their radios running in their homes and businesses and it is a great way to reach them with the Gospel.

People were calling in daily and testifying about the healings and miracles that Jesus had done for them via the radio broadcasts. Pastors from Buenos Aires and even from Tucuman, a large city over 600 miles to the north, called and testified that the live crusade broadcast over

the radio was stirring up their city. People were receiving Jesus and being healed in large numbers. The churches were excited and were now advertising the crusade broadcasts. I shall be back in Argentina in November for two crusades and Schools of Ministry.

What a wonderful Savior we serve! All Glory to Him, because He alone is worthy!

Only our wonderful Lord Jesus can do these things. He paid such a price at the Cross to make this Glorious Blood-washed Gospel available to us. We must preach it, shout it out, and proclaim it with all that we have, with all our strength - until the final chain is broken, and the last captive is set free!

On the last night, the Holy Ghost fell with great power. Over a thousand people were Baptized with the Holy Ghost and with Fire. All over the place, people were falling to the ground, shouting, weeping, and speaking in tongues.

Then, the Lord healed the sick; blind eyes

Healing Testimonies...

- A little boy, born blind and cross-eyed, was brought by his parents. Jesus touched him, his eyes straightened and he could see. During this crusade, we were to see several such children, who were severely cross-eyed, either blind or with very bad eyesight, who were healed.

- A professional witch came and received Jesus. She burnt her tarot cards and other paraphernalia related to witchcraft that she had with her.

- A lady, with a huge tumor the size of large orange, saw her tumor totally disappear when Jesus touched her!

- A little girl, born deaf-mute, received her hearing and began to speak for the first time in her life. Her mother, who was deaf in one ear, was also healed.

- God healed deaf people every night!

- A man stood behind the platform and held up his mobile phone while I preached. His friend, more than 600 miles away in the province of Chaco was at the other end, listening on his mobile phone. This friend was severely ill in the hospital awaiting a serious abdominal surgery due to take place after a couple of hours. God healed him while he was listening over the phone. When he was wheeled to the operating room, the surgeons checked and found that he had been totally healed!

opened, a crippled lady began to walk, deaf ears opened, tumors disappearing. Yes, miracles happened all over the place. Thus ended the Rosario crusade!

We give all the Glory, honor, and praise to our Lord Jesus!

The people, the pastors, and church-members, were very kind and loving. I met 'Graciela', who was seventeen when she was brought, totally demon-possessed, to my first Argentina crusade in 1988. Today, she is a successful attorney and a mother of two beautiful children and

expecting a third. Her story is documented in chapter thirteen in my book, All Things Are Possible (In the book, I call her 'Graciela' to protect her identity).

I was also introduced to an eighteen year old boy who was on Fire for Jesus. His parents named him after me, but instead of calling him Christopher, they decided to give him my surname name, Alam, as his Christian name! I thought that was kind of comical.

Thank you for your love, prayers, and support. Do uphold us in prayer! As you read these lines, we are in Africa holding two crusades. Let us believe God for a large harvest of souls for Jesus!

In Christ Jesus.
