Dear Friends,

In this newsletter, I want to share with you from our recent crusade in Argentina, and my time in Asia, Indonesia, Sweden, and Lebanon.

ARGENTINA:

I went to Argentina with my sons Immanuel and Gabriel. I first ministered in Buenos Aires for my friend Pastor Juan Crudo. God is doing a great thing in his churches. Many received Jesus and were healed in these meetings.

From Buenos Aires, we went on to Rosario for an open-air crusade organized by Pastor Norberto Carlini and his 8000 member congregation, Templo Santuario de la Fe. The

crusade was held in the outskirts of the city to be able to reach the poor community in that area. Gary and Amy Hector, missionaries to Argentina, were a great help to me. Amy interpreted for me in all my meetings.

Many people came out to hear the Gospel every night. They gladly responded to the Gospel message and received the Lord Jesus. The Lord confirmed His word with powerful Signs, Wonders, and Miracles.

Here are a few of the many testimonies that we heard:

- A couple of blind people, and several people with very bad sight who could only see blurs were healed. God opened deaf ears every night. Tumors disappeared.
- A young man was healed from a serious speech impediment.
- One lady came and testified that she had suffered from all kinds of diseases and had

been unable to walk. She heard me preach on the radio and after I prayed God healed her; she got up and walked! Additionally, at the crusade that evening the Lord also opened her deaf ear.

- A boy had a large tumor on his foot and saw it disappear totally.
- A lady who was dying of cancer, with her belly grossly swollen due to liquid retention, bedridden and unable to walk, was carried to the crusade. Jesus touched her, all the swelling and every other outward symptom of cancer disappeared, she stood up and walked up on the platform to testify.
- Another lady testified that she had been unable to walk because her feet and toes were all twisted due to arthritis. Jesus healed her too.
- The mother of a professional Rugby player told me that her son's career was ruined due to a serious knee injury, but God had healed him in our last crusade a year ago, and now he was back playing professionally again in England, and was looking for a church there.

• Pastor Carlini told me that a top leader of the Jehovah's Witnesses, overseeing 38 of their congregations, had been saved at our crusade last year and was now attending his church.

We give Thanks and Praises to the Lord for the Priceless Privilege of being able to preach the Gospel to the lost. All Glory to Him!

I was also able to hold a Leadership Seminar and taught on prosperity and financial increase (For those of you who don't know, before I became a Crusade Evangelist, and Church Planter and Overseer of Churches, I taught for four years at the largest Bible College in Europe. So, I enjoy teaching too!)

ASIA:

We held a three day School of Ministry for our Pastors and Church Planters. The 168 churches that we have planted, so far, are spread out, with some in remote corners of the nation. Most of our pastors attended, plus some pastors from the Assemblies of God and the Fundamentalist Baptists. We had three wonderful days of teaching, encouragement, and fellowship. I heard good reports from many of them: reports of revival, church growth, new

churches being planted, and people coming to Jesus, as well as, powerful healings and miracles!

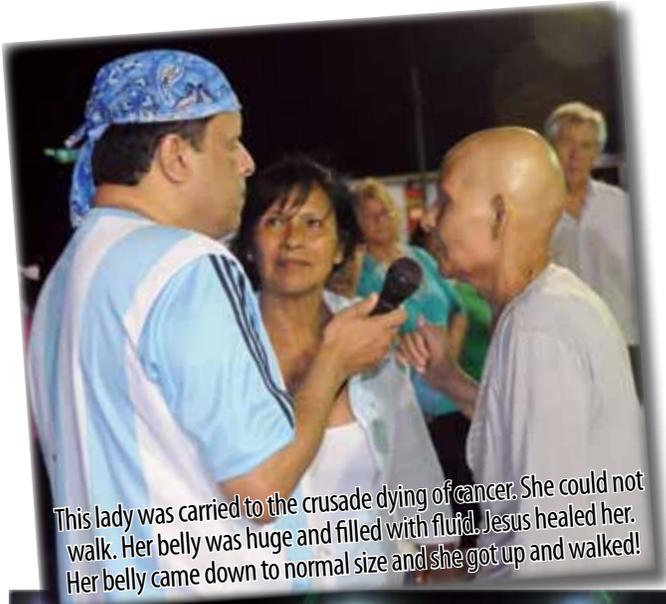

Thank you for your prayers and support of our church planting efforts in Asia. The Lord told me to plant five hundred churches there, and we are on our way!

LEBANON:

I had several days of meetings in Lebanon, at the Abundant Life Church in Beirut, led by Pastor Chady El Aouad. Abundant Life is a fast growing church and is reaching many people with the Word of God. Several people were saved in the meetings and we saw many wonderful miracles of healing, especially God opening deaf ears.

One young lady, who was at the meetings, believed that God had touched and anointed her through the preaching of faith and the demonstration of the power of God at the meetings. She visited a deaf friend the next morning, prayed for her, and God opened her friend's ears. Her friend came to the meeting that evening and told me how God had healed her!

Pastors from different places came to the meetings, including an influential Pastor from Syria. He has five churches there and invited me to preach in Syria!

She had very bad eyesight and could only see a blur. Jesus healed her and gave her perfect sight!

INDONESIA:

I ministered at the 12,000 member GBI Bethany Church led by Pastor Bambang in the city of Medan. God is really moving there, and many were saved and healed in these meetings.

SWEDEN:

Sweden has a very special place in my heart because I spent 20 years of my life there. It was Sweden that gave me political asylum when I escaped from my homeland as a refugee. My wife, Britta, is Swedish-born and our children were born there. Although we are American citizens, we still hold Swedish citizenship too. I am able to teach and preach in the Swedish language, which gives me a great advantage.

I minister in Sweden very often and recently spent 9 days of ministry there. We saw people come to Jesus, many wonderful healings and miracles, and many others touched and blessed by God. Right now, God

has opened many new doors for us in different places all over the country.

During my last visit to Sweden I met many who had been saved and healed in my meetings, plus many others who God had touched.

I met a brother from Iran I hadn't seen for 20 yrs. He was a dissident and was in Teheran's infamous Evin prison awaiting execution. A week before his execution he was awakened at night with a bright Light that filled his cell. Jesus appeared to him and said "Follow Me! I will get you out of here!" On the eve of his execution they couldn't find his case papers and execution orders and had to let him go. He escaped to Turkey and then on to Sweden. He somehow ended up at a meeting where I was preaching and was Baptized in the Holy Ghost. This was 20 years ago. Today he is in the prayer team of a Pentecostal church in Stockholm!

Another man, told me that he had asked me to

pray for his mother-in-law who was dying of cancer many years ago. He said, "You prayed for her loudly in the evening service, and she was at her home 15 miles away. When you cursed the cancer she began to vomit out the cancerous tissues and

tumors at home. God healed her totally. The doctors pronounced her healed. She lived to a ripe old age after that!" All Glory to Jesus!

RIGHT NOW: As you read this newsletter, I am getting ready to leave for two crusades and a School of Ministry for Pastors, in Northern Mozambique. After that I travel to our farm in Zimbabwe for our AWAKE Churches' Annual Conference. From there, I minister in Switzerland, Sweden, and at RHEMA France.

Do uphold us in prayer!

Thank you for your love, prayers, and faithful sacrificial giving that enable us to continue to preach the Gospel!
