When the Fire Fell Upon George, Zambia

"And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following. Amen." Mark 16:20

In this newsletter, I am reporting from our recent Crusade held in the Township of George, just outside the Lusaka, the capital city of Zambia.

Our team had done a great job preparing this crusade, together with the local churches. Thus it was amidst an atmosphere of great expectations from God that we started the meetings in a large football field right in the center of George.

For me personally, it is always wonderful to come back to Africa. I love the people, the dust, the sky, the sounds and the smells of this wonderful continent. Jesus shed His precious Blood for the precious people of Africa and we must preach the Gospel until the last chain is broken.

I have been preaching in Africa since 1987, and have been blessed to see the fruit of our labors over the years. The high point, for me, was the time when the Vice President of one of the countries in the region invited me to his residence to thank us for our work in bringing the Gospel into that nation.

He said, "Pastor, I want to thank you for what you have done for us. The government recognizes the fact that because of the vast number of people who are receiving Jesus Christ in your crusades the number of Christians in our nation has visibly and very greatly increased!"

All Glory to our Lord Jesus!

It takes years of relentless preaching to see this happen, but it always pays off. We want to plunder Hell and populate Heaven!

On my way to Africa, I stopped over in Singapore to teach at Pastor Kong Hee's City Harvest Bible School, a school that is training many laborers for the vast harvest there is in Asia. They have 700 eager and on-fire students from all over Asia, more than 100 of whom are from the People's Republic of China.

The George Crusade began with a large mass of people in attendance the first night, eager to hear the word of God. A huge multitude received the Lord Jesus and the Lord confirmed His Word with

Signs following. Many deaf ears were opened, a couple of blind people received their sight, and many others were healed from different kinds of injuries, diseases, and infirmities. Many people lined up to testify of the

wonderful things that the Lord had done for them!

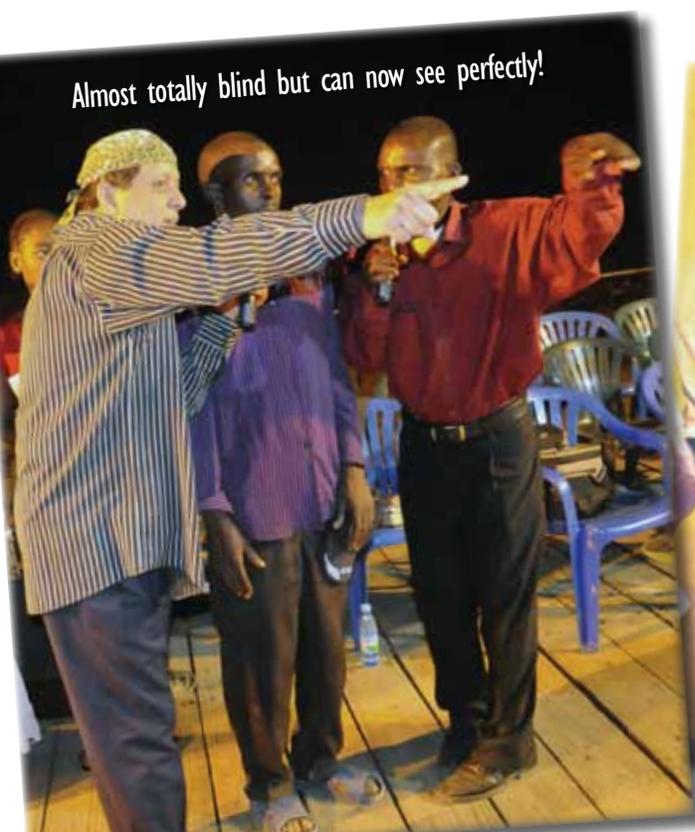

The Lord continued to move among the people, and the crowds

grew and grew every night. The Gospel went forth with great power and huge multitudes received the Lord Jesus every night. We saw the Lord continue to pour out His Grace through Salvation, Healings, Miracles, and Deliverance.

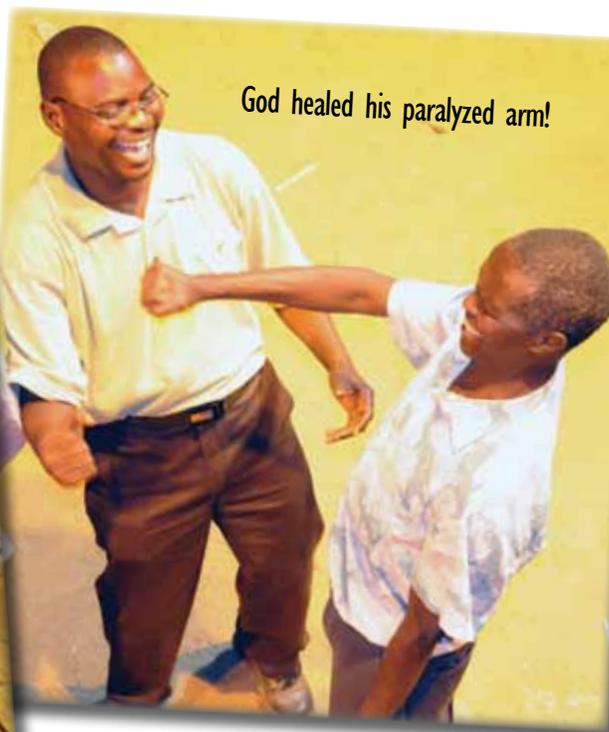

One night, as I preached about

the deliverance of the demon-possessed man from the Gadarenes, demon possessed people in the crowd began to fall screaming to the ground as the devils came out of them. Nothing can stand against the mighty Name of our Lord Jesus! Demons tremble at the very mention of His Name!

We saw many remarkable and wonderful miracles in this crusade. One night, a lady came to me after the service and asked me to pray over a

prayer cloth. It was for her brother who had been stricken with Tetanus that was out of control and had spread throughout his body. He was in the Intensive Care Unit of the local hospital and was dying. As a last resort, the doctors were planning to operate on him the next morning.

I prayed over the cloth and she went straight to the hospital and put the prayer cloth on him. In Western countries such a thing would not be allowed, but this was Africa! The next morning, her brother woke up perfectly whole. When they wheeled him into the operating theater, the doctors were amazed to see that Jesus had healed him and that he was perfectly whole. Every trace of Tetanus was gone! They released him immediately and sent him home.

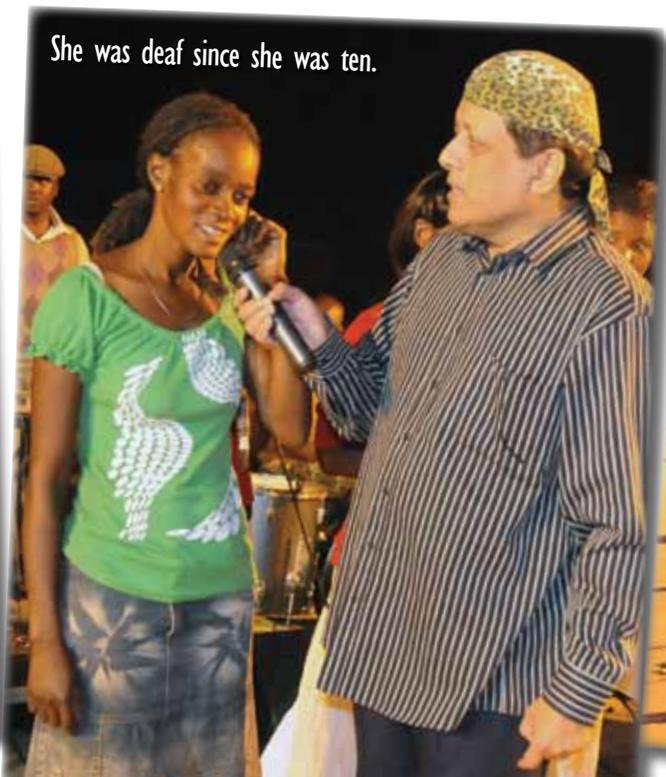

Another young man came hobbling on a crutch to the crusade. His right leg was paralyzed and he had not been able to stand or walk for 5 years – Jesus touched him! He took off running, jumping, and shouting for joy to the cheers of the crowd!

On the last night, a huge crowd was present to hear the Gospel. A great mass of people received the Lord Jesus. After that, the Holy Ghost Fell upon the crowd and some thousands of people were Baptized with the Holy Ghost and with Fire, speaking, and worshiping God in other tongues as the Spirit gave them utterance.

After the Holy Ghost fell on the crowd, literally hundreds of people were healed. The most outstanding of these being a little 10 year old girl who was paralyzed in half her body and had never been able to stand up or to walk; she stood up and was brought up to the platform by her sister and she walked for the first time in front of the gathered multitude (see photo). Another lady had been totally blind in one eye for 10 years and Jesus restored her sight fully. Several deaf ears were opened and many others also came to testify about other things that the Lord had done for them.

We saw and experienced 6 days of the Glory of God coming over this poor dusty town in Zambia. The Gospel message went forth and brought conviction into the hearts of huge multitudes of people

every single night, and we saw these multitudes turn away from their sins and to the Living Savior, our Lord Jesus Christ who alone is the giver of Life eternal and can make all things new! Every night, we saw many wonderful miracles that our Lord did in the midst of the people to confirm His Word. We saw the lame walk, the blind see, the deaf, and many others healed from many different diseases and infirmities. All Glory to our Lord Jesus!

We left George with a great harvest of souls for our Lord Jesus. For this we are most humbled and thankful!

Thank you for your love, prayers, and faithful support that enables us to continue to preach the Gospel and to bring in the Harvest!

This extra boost of faith packed within this book is set on a strong foundation of faith in Jesus, who is "the same yesterday, today and forever"! Often in life, we find it easy to look to methods and others to change our circumstances. However, this book takes us back to the basics, and reminds us that Jesus is our source for all good things.

working in over 70 nations in the world. As you read the true accounts of commonplace and even "unusual" miracles, you will be awestruck and deeply convicted that your faith in Jesus always works! As Christopher Alam puts it, "When Jesus walks in, every equation... changes. One plus one is suddenly greater than a million; impossibilities are suddenly not impossibilities anymore...because with Him all things are possible!" Your faith in Christ can overcome all things!
