## Kadoma Flames!!!

*"Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place. For we are unto God a sweet savour of Christ, in them that are saved, and in them that perish: To the one we are the savour of death unto death; and to the other the savour of life unto life..." 2 Corinthians 2:14-16*

Dear Friends,

The New Year 2011 has started. As I look back at last year, I am most grateful to the Lord for what he has done for us. Our hearts are filled with gratitude. It was a tough year for most people, as it was for us, I thank the Lord that we Overcame and were Victorious over every adversity.

In spite of tough times, we held all our crusades, pastor's conferences, planted churches in Asia, expanded our AWAKE Church movement with over 20 churches, and now we have even started our Church-Planting Bible School in Zimbabwe.

In our crusades, we saw around a million people respond to our altar calls for

salvation, we saw the lame walk, the deaf hear and the blind see. We saw tens of thousands of souls Baptized with the Holy Ghost and with Fire.

All this testifies to the Mighty Power and the Glory of the Name of our Lord Jesus, and of the Power of His Gospel that we preach. All Glory be to God!

Thank you all our friends and partners. You really "stepped up to the plate" by giving and sacrificing financially, and you prayed and believed God with us so that the Gospel could continue to go forth.

We thank you and honor you for your offerings and sacrifices for the Gospel's sake. God responded to your sacrifices by sending down Pentecostal Fire again and

again, in every crusade. As a result, the Gospel was triumphant and Jesus was Glorified wherever we went!

### KADOMA CRUSADE

I now want to share with you a report from our final Gospel Crusade in 2010, held in Kadoma, Zimbabwe.

This crusade shook the city of Kadoma. Our team worked with the local churches holding our 3-week long Mobile Bible School in Rimuka Township where the crusade was held.

Large multitudes came out to hear the Gospel right from the beginning of the crusade. The crowds grew every night. Multitudes received the Gospel and gave their lives to the Lord Jesus. God also

*Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8*

gave great Grace and confirmed His Word with Signs, Wonders, and Miracles.

Several of the miracles that the Lord did are deeply etched in my memory:

A little girl had a huge tumor as large as a woman's breast hanging off the middle of her torso. Jesus took it away and all that was left there was a little dark bruise where the tumor had once been!

Then there was Hillary Wafyoka, a young man of 21 who was born deaf and mute; Jesus touched him and he spoke and heard for the first time in his life. After he was healed and had testified of what the Lord had done for him, he went back into the crowd. He happened to stand next to a blind and paralyzed man, Loveday Gondo, who had been carried to the crusade by his family and had been laid down upon a blanket on the ground. This man had been totally blind for many years and had been unable to walk for about 3 years. Jesus touched Loveday, then Hillary the young man who had been born deaf-mute and was just healed turned to him, reached down, grabbed his hand and pulled him up.

Loveday stood up and walked! He could also see perfectly and came

up to the front. You should have seen this man dancing for joy and praising God up upon the platform. The crowd went totally berserk with joy singing, dancing, and praising God!

*I have posted both these videos on YouTube and on Facebook!*

We also saw blind eyes receive perfect sight and people throwing away their crutches and taking off running.

Apart from these three most outstanding testimonies, here are a few of the many wonderful Testimonies of Healing that we documented:

Docus Gome, 49, was paralyzed and could not walk. Jesus touched her, and she danced for joy!

Patience Gadaga, 15, was deaf in both ears for several years. Jesus healed her!

Viness Magamba, 60, was totally blind, and Jesus restored her sight!

Tananda Gondo, 8, was blind and could see only shadows. Jesus restored her sight!

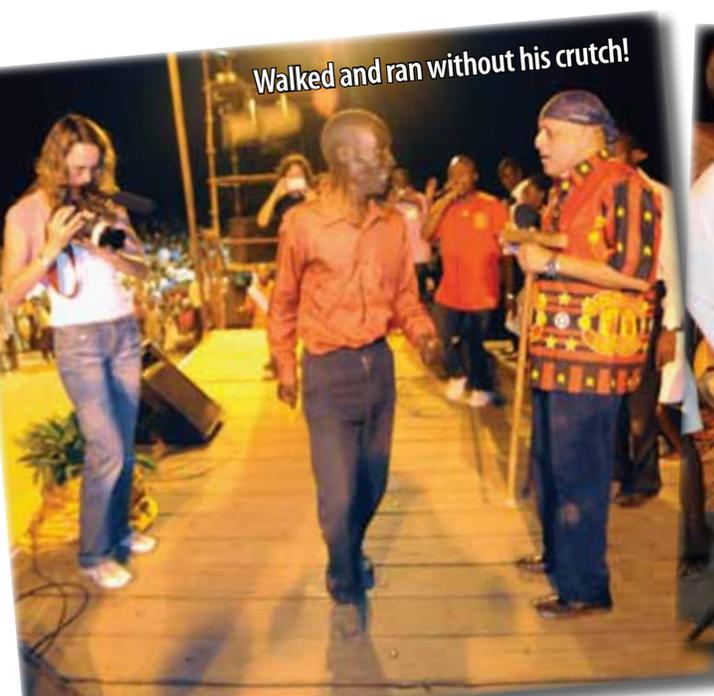

Common Danda, 6, was deaf in both ears since birth. Jesus healed her!

Hillary Wafyoka, 21, was deaf since birth, and Jesus healed him!

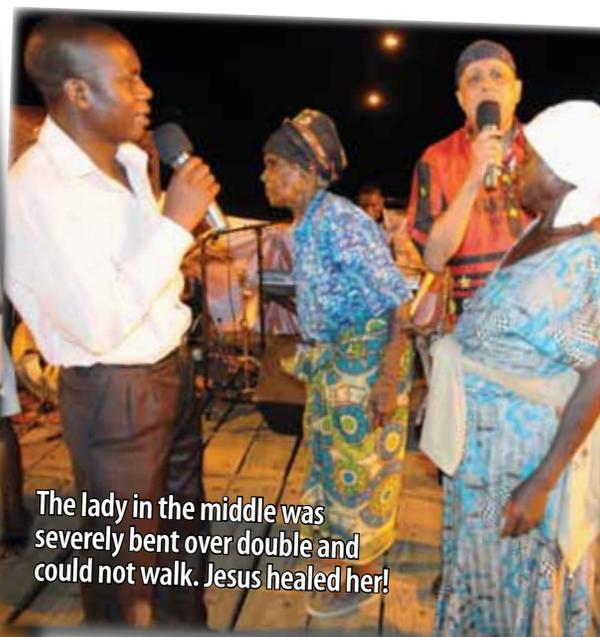

We saw the Lord heal many deaf people. Blind eyes were opened, and people with severely impaired eyesight were healed. Many who were limping or moving with great difficulty because of swollen legs, partial paralysis, etc were totally healed. People left their sticks and crutches, and they walked and danced with joy while the crowd shouted and praised God.

Truly our Lord Jesus was walking in our midst, His Gospel is ever triumphant! Hallelujah!

Many wonderful and remarkable things took place during this crusade. On Saturday for example, it had rained for much of the day and when we had started the service, it began to rain again. In spite of the inclement weather, there was great excitement and a huge crowd had gathered to hear the Gospel. As it began to rain, I was concerned about our sound equipment, that had been quite damaged by moisture a couple of years ago in Zambia after we went on with a service in pouring rain, and therefore, decided to cancel the service.

Walked and ran without his crutch!

The lady in the middle was severely bent over double and could not walk. Jesus healed her!

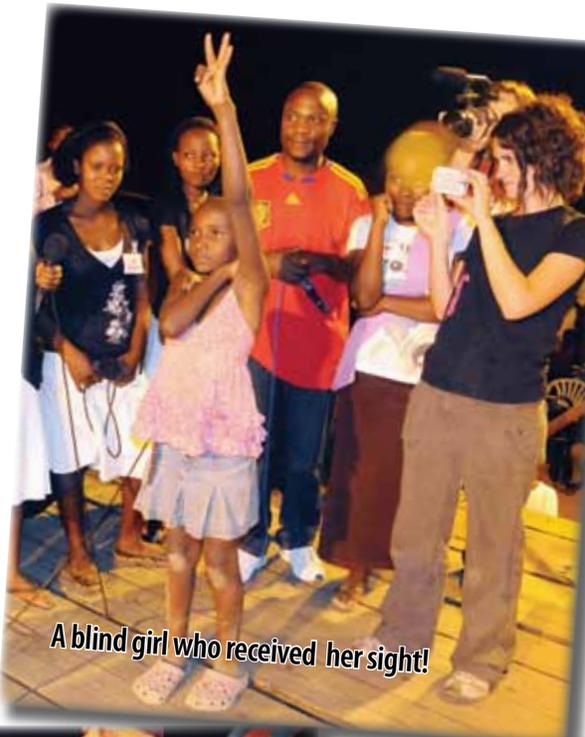

This old lady who was bent over and could only move with great difficulty.

As Pastor Mavondo, our Director of Ops in Africa, picked up the microphone and began to make the announcement the crowd began to shout. "NO! NO! PREACH ABOUT JESUS!" In response to the crowd, the announcement turned into a loud forceful prayer and a command to the rain to stop. The people (mostly non-Christians!) joined in, shouting, praying, yelling... and the rain suddenly stopped! And so, we went on and had a powerful service.

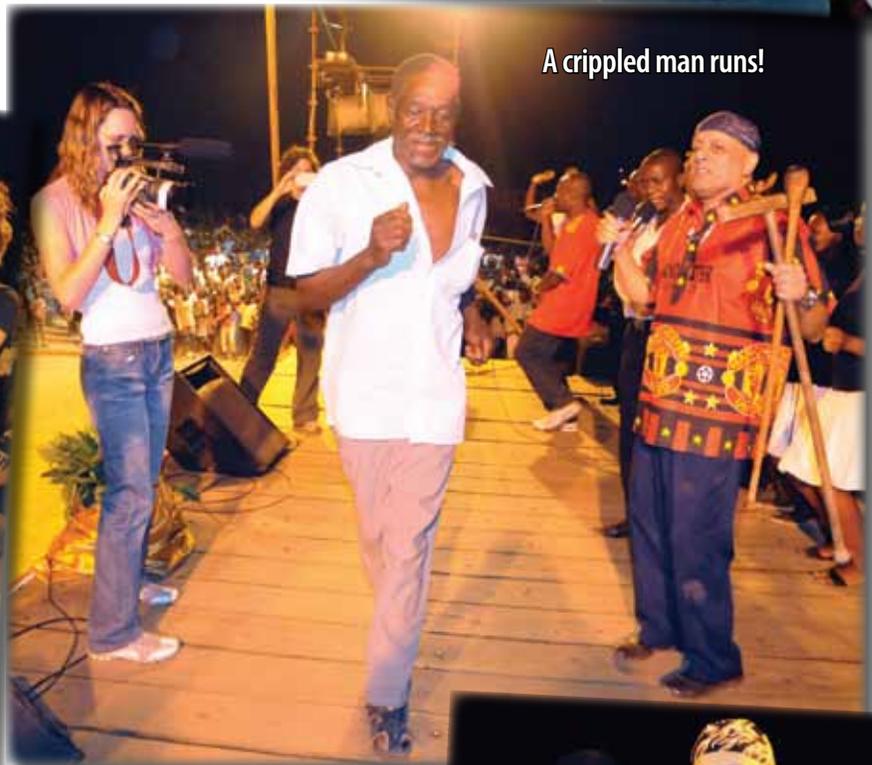

I was humbled and felt small because I realized that everybody else's faith seemed to be greater than mine, and yet I was the one there whom God in His Great Mercy had chosen to preach His Word.

Loveday Gondo who was totally blind for 10 years and was carried paralyzed & unable to walk dances for joy after being healed!

Hillary Wafyoka was born deaf and mute hears and speaks for the first time ever!

Every night, we were blessed to see huge multitudes of people receiving Jesus. There were also these "little" things that touched me, like one night when we were singing and worshipping, a man came out of the crowd saying that he wanted to be saved right there and then!

Then on the last night of the crusade, the Holy Ghost fell with Pentecostal Power, with thousands Baptized with the Holy Ghost and with Fire. People worshipping God in other tongues, shouting, praising, some falling to the ground under the mighty Power of God!

*For all this, we give all Glory Honor and Praise to our Lord Jesus, who Alone is Worthy. What a privilege it is to preach His Wonderful Gospel.*
