Living in the Miraculous!

I am totally dependent upon the people seeing Jesus through my preaching. If I can only get them to the point where they only “see” Jesus and don’t see me anymore, THAT is when miracles begin to flow! It is Jesus and Him alone. We are merely servants and conduits of His power. Yes, God will give us all things, but He will only glorify His Son Jesus. He will never share His glory with another.

Yes, I believe in the boldness and confidence that comes by faith; but true boldness, confidence and faith spring forth only from the place of brokenness. When we realize and say, “without Jesus I am nothing!” Once we come to that place of death, we rise to life, where we can say, “But, I am not without Jesus. I live in Him, and He lives in me. Because I am nothing, He is everything in and through me!”

Now, THAT is true confidence in God. We place no confidence in the flesh. That is why we must live in the place of brokenness and dying to self every day, so that we may also daily live in the resurrected, victorious life of Christ. O what a glorious paradox! THIS is the place where God can cause His power to flow through us and around us, bringing life and healing. . .

And then we can say, “All glory to Jesus, because He alone is worthy!”

Christopher’s book ‘All Things are Possible’ is full of wonderful miracles that he has witnessed as he has ministered the Gospel.

Experiencing a crusade j

Wow! I just got back from my 2 week trip to Lusaka, Zambia with Pastor Christopher and the Africa Team. I can't stop talking about it. I keep telling people that it was like the book of Acts. Tens of thousands came, the Gospel was preached, thousands were saved and hundreds were healed in the name of Jesus!! This was my second trip with Dynamis since last September. Once I saw the power and love of God in action at a crusade in Harare, Zimbabwe, I couldn't wait to get back to Africa.

God is Love

One night in Zimbabwe last fall, I was in front of the stage with the local pastors to help Pastor Christopher pray for the sick. A young mother with an infant on her back was in front of me. She had come forward because she was deaf in both ears. When Pastor Chris prays he has us put our fingers in the deaf ears. As Pastor was praying, I felt what I could only describe as a supernatural, heavenly love for this woman. It was at this moment that I began to realize how

given us authority over all the powers of

The people are poor, AIDS is rampant,

population is under 15.5 yrs old and
witchcraft is prevalent. I thank God for
Dynamis and Pastor Christopher because
they are fulfilling the Great Commission.
They are going to the nations, preaching
the Gospel to the poor, healing the sick,
delivering those in bondage, discipling
pastors and starting new churches. I am
so thankful that I was able to be part of
this raw and pure gospel being preached

FOCUS: AWAKE FARM

CHURCH PLANTING BIBLE SCHOOL: A couple months ago, we launched our Church Planting Bible School at the AWAKE farm in Zimbabwe. We will train the students for one year then send them out to plant churches and reach their nation with the Gospel.

BUILDING PROJECTS: We have two upcoming building projects at the AWAKE farm. We will be building a dormitory for the students of the Church Planting Bible School. We will also be building houses for our orphanage, which will enable us to provide care for additional children.
