## Vision Fulfilled!

In 1986, over a year before I first went to Africa, I was speaking at a Charismatic Conference in Sweden. A prophet of the Lord who had just returned to Sweden after living many years in the United States came to the conference as a visitor. He did not know me, and he saw me playing soccer with some of the young people at the conference. He said to me, "Brother, I just saw a vision. I saw you playing soccer. I saw you pass the ball to African Pastors who then kicked it into the goal!"

We have seen this vision fulfilled so many times. As you continue through this newsletter you will read a testimony from one such African Pastor. Remember that this not about me, but about what God can do in our lives through others who yield themselves to Him!

All Glory to our Lord Jesus!

# In Their Own Words

*A testimony from Lusaka, Zambia*

I, Pastor Dennis L. Mwansa of Labourers of Christ Faith Ministry of Lusaka, Zambia, would like to testify on how I have been affected through the ministry of Pastor Christopher Alam.

Pastor Christopher held a Crusade and Ministers' Conference in March of this year in Lusaka. During his teaching, he touched a lot of areas and at the end of the conference he layed his hands on all the leaders. The laying of hands on me brought revival and changed a lot of things in my life. The main areas that were revived were:

- (i) My faith increased
- (ii) The passion for souls grew
- (iii) I received boldness to stand and preach to large crowds

After the conference, the change I experienced gave me an urge to organize a crusade. I chose a place which was owned by a non-Christian; one who was known to be a very difficult man. This was near a market place. Since my faith was rooted in God, I did not mind what people said about him. I approached him and to the surprise of a lot of people, I was permitted to hold the crusade there. In this, I saw the manifestation of the power of God.

This was my first time to hold a crusade. Though we did not have enough resources, we managed to build a platform. At the same time, God touched people's hearts and they helped us with the P.A. system. Everything went on well such that people thought it was Pastor Christopher Alam coming to preach.

The messages I preached were in line with the teachings of Pastor Christopher. Many people came and they received Christ as their personal saviour. Among the people who were saved was a notorious criminal. He came on stage, confessed, and received Christ as his personal saviour. This man is now with us in church. Another notable miracle was a woman who had the issue of blood and was healed instantly.

In conclusion, I would like to thank God for the ministry He has bestowed on Pastor Christopher Alam. The Lord has done a lot in my life through his ministry.
