## **We Believe That Jesus is the Same Today!!!**

Many people here in America and in Europe ask me “Why does God do more miracles in Africa than here?”

One could write a book in trying to answer this question! But, here are a few things that I could say to start with.

1. In Africa, we preach the Gospel. We preach the “Full Gospel” of Salvation, Healing, and Deliverance. The Gospel preached there is much simpler, more powerful. It is closer to the pattern as in the Book of Acts. To put it bluntly, the Gospel is rarely preached in Western Countries. Our most sought after preachers are more like “self-help gurus” than anything else. Others major on Israel, End-Times, Prophecy, Prosperity, etc. Very few preach a Red-Hot Pentecostal Gospel of Jesus Christ Crucified and Risen, Triumphant over Sin, Disease, and Satan. People will only have faith for the things that are preached to them. So, if we want to see the Power of God, let us Preach the Gospel!

2. In Africa, people are more desperate. They do not have access to medical insurance and treatment like we have. They throw themselves in total Faith upon God. “It is either Jesus or nothing”. Such desperate faith brings miracles!

3. I got so tired of being asked this question again and again that once I said to a pastor, “Brother, the answer to why God does not do so many miracles in the USA is in your question. You believe that He doesn’t, so He doesn’t! You don’t have Faith, and that is why you ask this question, and this question becomes your Confession. Instead, begin to say “I believe that God does Miracles here in America!” and stay with it!

*Jesus Christ, the same, yesterday, today, and forever. Heb 13:8*

...continued from front

My friend, Pastor Paul Grabill, began to challenge me to preach and to believe God for more miracles in the US. I have begun to stretch my Faith out for this, and we are beginning to see God move. Jesus is still the same today! He is the Unchanging Son of God! In our meetings in churches in the US, we have seen God open deaf ears, cancer patients have been healed, tumors have disappeared. I have been encouraged by people telling me of what the Lord has done for them. LET US CONTINUE TO BELIEVE GOD FOR GREAT THINGS!!!

***15 And then he told them, "Go into all the world and preach the Good News to everyone. 16 Anyone who believes and is baptized will be saved. But anyone who refuses to believe will be condemned. 17 These miraculous signs will accompany those who believe: They will cast out demons in my name, and they will speak in new languages. 18 They will be able to handle snakes with safety, and if they drink anything poisonous, it won't hurt them. They will be able to place their hands on the sick, and they will be healed."***

***19 When the Lord Jesus had finished talking with them, he was taken up into heaven and sat down in the place of honor at God's right hand. 20 And the disciples went everywhere and preached, and the Lord worked through them, confirming what they said by many miraculous signs. Mark 16:15-20 NLT***

## *A few short testimonies from our meetings in the US*

M. LEWIS

I placed my hands over my eyes as we prayed for healing. I had a large bubble from the inside corner of my eye almost to the dark brown iris. It had been there for 5 years. Three days after the conference I noticed that the bubble was completely gone! Hallelujah for God's healing power.

T. ROEKLE

You told people to go lay hands on someone who needed healing, I found an elderly woman and laid hands on her lower back. During the time you were praying, I prayed in tongues quietly. She was crying at the end of the time and said she felt a lot better. Come to find out she'd been not feeling well for a month and had missed church for about that long.

The next night I had contacted a couple of friends to come – One was a dear friend who had been diagnosed with cataracts. The other was a man who had been diagnosed with Sarcoidosis and he was also deaf in his

right ear. I am so thrilled to know they've been healed and so excited to watch the manifestation of that healing happen.

I am widow and have sole custody of my 6 year old granddaughter who has Aspergers.

Through a "freak" accident the tendons and pulleys in my thumb were destroyed. I could no longer use the thumb and the shredded pieces of tendons had wrapped around the tendons of another finger. I was at risk of losing use of my hand completely. I had reconstructive surgery on my thumb/hand. I had been going to occupational therapy; however, the process was not going well and the surgeon was recommending a second surgery.

I was in so much pain, and I almost didn't come to church. During the service, you prayed for the lady in front of me and I had my hand raised in agreement. As you were praying, I felt a "pop" in my hand. The pain was and remains gone – the scar tissue that

was causing the problems was released – and I could use my hand again. The surgeon and occupational therapist were amazed and I do not need follow-up surgery!

God is so faithful – He knew I needed use of my hand again so I could go back to work and care for my granddaughter.

M.K. FARRELL

I was able to be a vessel to pray for a man, who just accepted Jesus as his Savior, and his 7 year old son. PTL! I laid hands on him as you instructed (for a herniated disc) and felt the Holy Spirit moving through my arms and hands in the Name of Jesus!

T. & B. ROOT

My knee had been hurting for some time now and I had asked for healing. On Sunday, I realized I hadn't been thanking God for my healing....during service, I literally felt my knee cap shifting back into place. I am healed by the Blood of Jesus and to Him BE the Glory now and forever!

FOCUS: US OFFICE

**US OFFICE:** Dynamis is moving into a slightly larger office in the same building in which we are currently located. In fact, it is right down the hall! We are excited to expand into a more organized work space, and are grateful that it will be a relatively easy relocation. This transition is a great opportunity for us to "clean house" and see how we can streamline and become even more efficient and effective with the resources that God has given us!
