# Pentecost in Zimbabwe!!!

Dear Friends,

Greetings in Jesus Name!

I have just returned from Africa, and would like to report of the great and wonderful things that the Lord did in our two crusades in the towns of Chegutu and Rimuka in Kadoma, Zimbabwe.

My Africa Team preached the first three nights of the Chegutu Crusade since I was delayed in flying in from Asia. I then traveled over 30 hours, drove 3 hours, showered and was up preaching within 2 hours of my arrival in town! I was able to preach the remaining three nights of the Chegutu Crusade.

Huge multitudes came out to hear the Gospel every night, and people received the Lord Jesus by the multitude! The Lord did wonderful miracles for the

people, and we received many wonderful testimonies of these healings and miracles. Deaf ears were opened every night. Blind eyes were opened.

Crippled people were healed and ran and danced for joy. One of these was a lady who had been paralyzed in the left half of her body. She was totally healed and danced for joy. There was great joy in Chegutu at the wonderful works of God!

On the last night we saw thousands of people Baptized with the Holy Ghost and with Fire. *All Glory to the Lord Jesus!*

At the end of the crusade one of the senior-most Pastors in Chegutu came and told us that the Mayor, the Chief of Police, and the local Member of Parliament had met with him and expressed their gratitude for our crusade. They had

stated that when we had been there the last time, crime rates had gone down drastically and the general health of the townspeople had improved; there were much fewer patients at the local hospital because so many had been healed at the crusade. Also, church attendance had skyrocketed after the crusade. These high officials also expressed a desire that we should come back to Chegutu to preach the Gospel every year!

Crime rates down, health statistics up, churches filled with people - Now THAT is the Best Evidence of the Power of the wonderful Gospel of Jesus that we preach!!!

After Chegutu our team moved our vehicles and equipment to Rimuka Township in Kadoma, the venue of our second crusade.

The Rimuka Crusade started with a great multitude of humanity in place to hear the Gospel. Huge numbers of people gave their lives to Jesus in every service. The multitude grew in size every night as the Lord moved amongst the people, confirming the Gospel message with Signs following.

Like in the first crusade, we saw deaf ears opened every night, one of them being a miner who had lost his hearing 20 years ago due to explosive blasts in the mines. Tumors disappeared; a young woman who was mute since birth and had never spoken a word in her entire life began to

speak. A young girl, whose legs were deformed since birth making her unable to walk, ran on the platform after Jesus straightened her legs out. Crippled people were running and dancing. Many demon possessed people were set free through the mighty Name of our Lord Jesus. A lot of people testified of being healed from many different diseases and infirmities.

*What a Wonderful Savior we Serve!*

On the last night, several thousand people were Baptized with the Holy Ghost and with Fire, speaking in tongues as the Spirit gave them utterance. What an ending to a fantastic Gospel crusade with a massive Harvest of souls for Jesus! All Glory to our Lord Jesus! We ended the service with lots of wild rejoicing, shouting, singing, and dancing

This was the beginning of our Crusade Season in Africa this year. We have 10

crusades planned this year in Africa, in addition to Argentina in November. As you read this, I am getting ready to leave for two crusades in Tete and Matize, Moçambique.

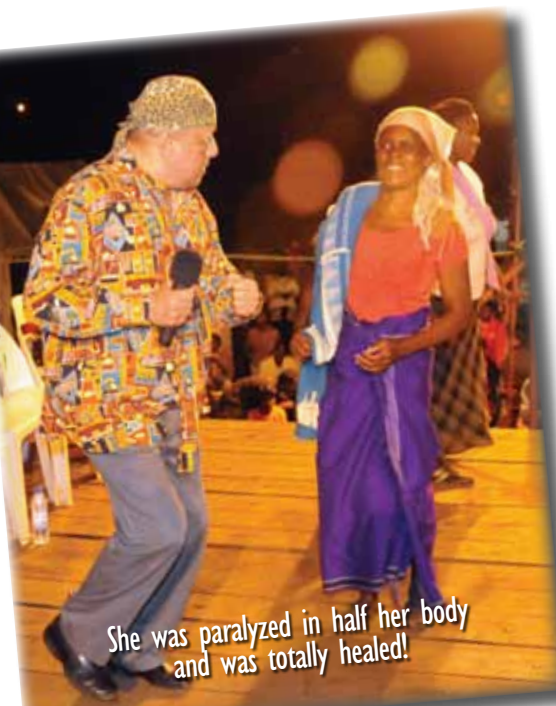

This is harvest time in Africa! The Bible says, *"He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame."* Proverbs 10:5

We want to Honor our Lord and Glorify Him by bringing in souls into His Kingdom in this season of Harvest. Everywhere we look, the fields are ripe! Thank you for your faithful partnership in the Gospel through your Faithful financial support and your prayers!
