We Have Received Power and Fire from Heaven!

In Acts 1:8 our Lord Jesus spoke thus of Pentecost, *"Ye shall receive Power when the Holy Ghost shall come upon you"*. The Greek word that is translated here as "Power" here is the word "DYNAMIS", which is the root word for words like "Dynamite" and "Dynamo" etc. The word "DYNAMIS" is also translated as "Virtue" in the KJV in Mark 5:30, when the woman with the issue of blood had touched Jesus' garment and was healed. Jesus said that he had felt that "Virtue" or "Power" had flowed from Him when the woman had touched Him.

So in Acts 1:8 what Jesus was really saying to His Disciples was, *"Do you remember when the woman with the issue of blood had touched me and Power had flowed from me to her and healed her? Well when the Holy Ghost shall come upon you, YOU shall receive the very same Power that flowed from me that day. It shall from thenceforth flow from YOU!"*

Peter, with his bold audacious Faith, took it to the next level when he believed God that people would not even have to touch him, but they would be Healed even if his shadow would fall upon them!

We have received Power! Holy Ghost Power to be witnesses to the Resurrection Power of our Lord Jesus! We have received Fire from Heaven. Reach out by Faith and receive your Portion today!

Jesus Christ, the same, yesterday, today, and forever. Heb 13:8

A Beautiful Story of Salvation and Healing!

This little boy was brought to one of our crusades by his father in 2007. He was then a 6 month old baby born with a club foot. His left foot was twisted upward so that the sole of the foot pointed upward. The foot was also curled up like a ball.

That night, Jesus Healed the little boy, and as a result his father was Saved. I saw them a few days later at our next crusade that we held the following week in a nearby township and the father shared the testimony of what the Lord had done for his son.

Two months ago in March 2012, 5 years later, they were both present at our crusade in Chegutu, Zimbabwe. The little boy is a happy youngster who runs and plays like any other boys his age. The father is at Bible School and is also pastoring a small church.

It is stories like this that keep us preaching the Gospel in Africa. Beautiful heart-warming stories of Redemption, Salvation, and Healing that only our Wonderful Lord Jesus can offer to people!

FOCUS: CRUSADES

WHY "CRUSADES"?: People ask me why we call our campaigns "Crusades" instead of "Festivals". The truth is that I was one of the first preachers ever to use the word "Festival" in this context. Way back in the mid-80s our campaigns in India were known as "Miracle Festivals" or "Festival of Miracles."

Then when I started working in the Southern African countries, I found out that "Crusade" worked far better than "Festival." Outside Africa, We use the word "Campaign" in South America, and we never use the word "Crusade" in Muslim countries.

So there you go, now you know the answer!!
