2012 Year-end Victory Report Vision and Needs for 2013

"So then after the Lord had spoken unto them, he was received up into heaven, and sat on the right hand of God. And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following. Amen." Mark 16:19-20

2012 has been a great and exciting year for us. We look back at this year with much gratitude and thanksgiving for all that our Wonderful Lord has done. We thank Him for the countless multitudes of souls that we have seen come to the Saving knowledge of our Lord Jesus Christ. We thank Him for the mighty Signs, Wonders, and Miracles that have followed the Gospel message wherever we have gone.

Our Lord has truly been Magnified and Glorified, and we are thankful for the priceless privilege of preaching the Glorious Gospel of Jesus Christ to the nations. I would rather be doing this than anything else in the world!

Africa

We held 10 Gospel crusades in Africa, seeing countless multitudes of souls receive the Jesus Christ at our altar calls for salvation. The "bottom line" in missions is that sinners MUST be Saved; and the more that come to Jesus the better it is, because Jesus gave His life for ALL sinners!

Entire towns and communities were shaken by the power of God. With our effective pre-crusade training and post-crusade follow-up programs for churches, we saw revival break out after our crusades; local churches grew and multiplied. We also saw tens of thousands receive the Baptism with the Holy Ghost and with Fire at in these crusades. We saw great multitudes healed from different kinds of diseases and infirmities, including the lame, the blind, and the deaf and deaf-mutes, healed by the Power of God.

Conferences for the Pastors and Leaders of our AWAKE Churches and churches of other denominations, who worked with us, were held in Zimbabwe and in Malawi. Since I took over as leader of AWAKE Churches, we have grown from 160 to 300 churches and have expanded into Zambia and Malawi.

In addition to this at the time of writing, our new Orphanage House at the AWAKE Farm and the dormitory for our Bible School students also at the AWAKE Farm is almost finished. Just the final touches are left and then these buildings will be ready for use.

Asia

We held a very successful School of Ministry in Vietnam, training Pastors from all over the country. We shall be working closely with the Assemblies of God of Vietnam, holding more such events.

The Lord has also opened great doors of opportunity for the Gospel in Indonesia. My book *"Out of Islam"* has been printed in Bahasa, Indonesia, and they are in the process of translating my second book *"All Things are Possible."* We are planning to hold crusades in Indonesia.

In addition to this, I am preaching this December at a crusade in Dubai, and then in Jordan, Lebanon, and Turkey. The Lord has opened some exciting new doors for us there.

Worldwide

I have ministered in several large conferences and churches across Africa, North America, Europe, and Asia.

For all this we give all glory and honor to our wonderful Lord Jesus, for He alone is worthy!

2013 Vision: We have planned 10 large crusades in Africa, in addition to our new push for the Gospel in Asia, and also ministry in other parts of the world. We shall continue to develop our 1000-acre Farm and Orphanage Project in Zimbabwe. We are also going to expand our new Church Planting Bible School in Africa.

Ways you can help...

Thank you for standing with us. We continually covet your prayers. Please consider supporting us generously with your finances as we continue to reach the lost. Here are a few ways you can make a contribution:

1. Make a generous year-end contribution to Dynamis World Ministries.

2. Become an ongoing partner with DWM. Make regular donations monthly or as the Lord would lead you. No amount is too small or too big!

3. Your family, business, community, or church could sponsor a crusade. Sponsor a single crusade for \$25,000. Or, for \$35,000 you could sponsor two back-to-back crusades in two separate cities. Depending upon the size of the community being reached, we see anywhere up to 100,000 - 150,000 people receive Jesus at a single crusade.

OTHER NEEDS: *We also have other needs that you may feel God leading you to provide for.*

1. One new pick-up truck for Africa. Cost: \$34,000. Due to the increased cost of a new truck and some necessary truck repairs, we have suffered a small set-back in realizing this goal. We have \$25,000 toward the purchase, but still need \$9,000 to make this new truck a reality!

2. Two new crusade prayer tents for our intercessors. Cost: \$2000 each.

3. We have had an ongoing need for additional speakers and amplifiers for our PA system in Africa. Unfortunately, the cost to add these items has increased. Cost: \$30,000.

We are reaching people who are so utterly lost and without hope. Only Jesus Christ can set them free through His Gospel. We have given our lives, and are asking you to give of your finances to help us to get the job done!

Time is short and the harvest fields are vast. The challenge is great, but standing together we can make a difference! We have preached in war zones, in Muslim lands, in perilous places, and we are seeing the fruit – multitudes are coming to Jesus Christ to receive eternal life. These are tough times, but if we never give up and continue to preach the

Gospel no matter what the cost, we shall always win!

Thank you for putting your life and resources behind spreading the Gospel. And thank you for standing alongside us.

May the Lord bless you this Christmas and New Year! May He fill your hearts with great vision, faith, and expectations for the coming year!

Dear Family in Jesus,

Another year has gone by, and we are very grateful to all of you!

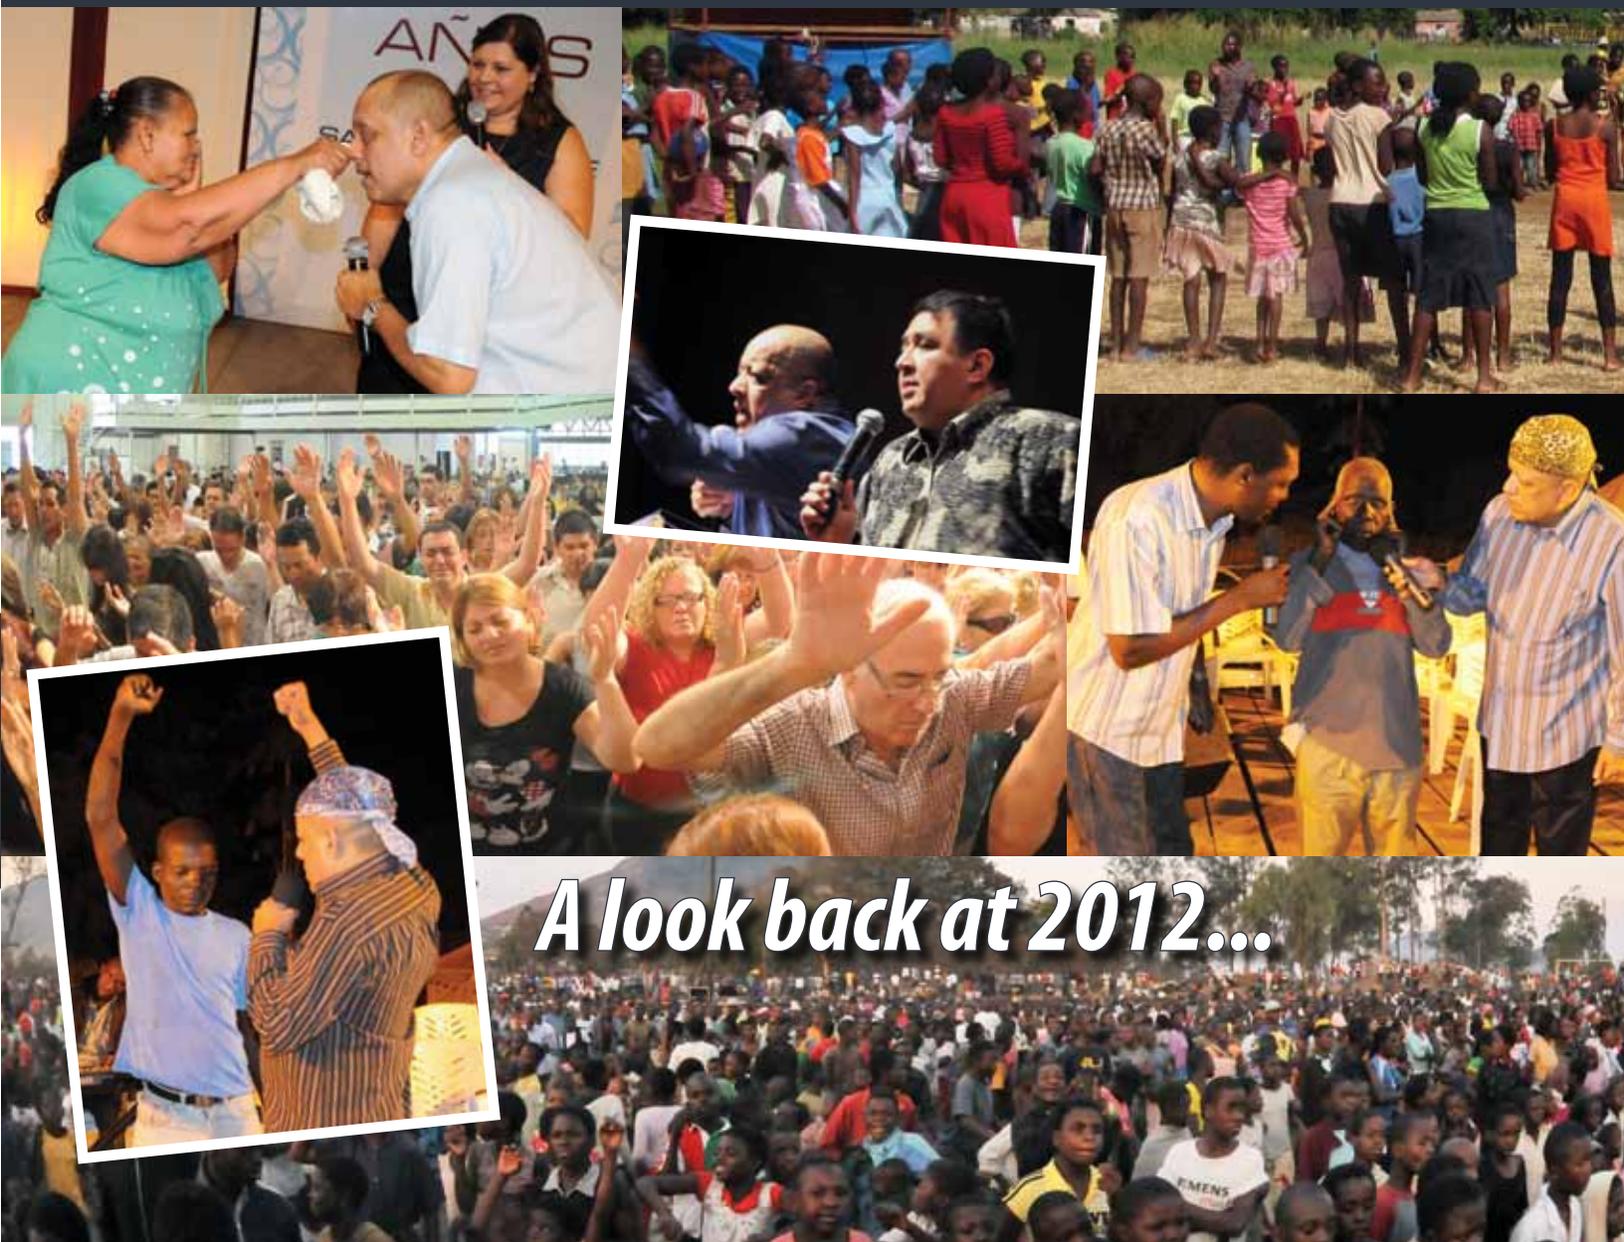

Thank you for standing with us and with Dynamis; together we are reaching out to a lost world! I see all of the checks that come in and I want you to know how much we appreciate you. No amount is too small or too big! We pray for you, our partners, and for wisdom to use the funds wisely.

Here in the US we recently had a Presidential election. People either love it or hate it, emotions run high. Let's remember that we cannot be Americans or Swede's first; our identity must be Christians first. We need to filter everything through Jesus' eyes, His love, and care.

Opinions come and go, politicians come and go, but our Jesus is the same today as He was yesterday. God has everything under control! His plan is still what matters, and His plan is for us to bring as many as we can to Christ.

So, let's make sure that we fill ourselves with the Word, stand in Faith, and bring the love of Jesus to a hurting world. People are worried and afraid, and we have the answer. Thank you for your continued support in 2013. One day we will see a large multitude in heaven just because, we together, were faithful to the Gospel.
