My Final Lap in Africa

Dear Friends,

I have borne an unquenchable passion in my heart to bring souls to Jesus throughout my 38 years in the ministry, and I have given almost half of my life in taking the Gospel of Jesus to Africa. The harvest is plenteous and ripe, and winning souls is what it is all about – Millions of Souls for Jesus! The Lord has blessed us with much lasting fruit, for His Glory. We have been blessed to see millions of people come to the Lord Jesus Christ and over 1500 churches have been planted as a direct fruit of our ministry. The largest church that we have planted has over 4000 people today. Many men and women who have received Christ at our Gospel Crusades are now serving the Lord as Pastors and Evangelists. In addition to this I oversee AWAKE, a fellowship of hundreds of churches. We also run an orphanage and a Church-planting Bible School.

I started as a young man saved out of Islam. When I turned 59 a few months ago it suddenly dawned on me that I am now beginning the “Final Lap” of my race to take the Gospel of Jesus to Africa. This means that I have around 10 more years of intensive Gospel Crusades in Africa before I finally hand over to those who will take my place. After that I still intend to hold

Gospel Crusades but at a different pace and also devote more time to training others.

In order to run these 10 last year's effectively and fruitfully, we need your help. We urgently need to replace our crusade

equipment and vehicles if we are going to be able to continue preaching the Gospel in Africa.

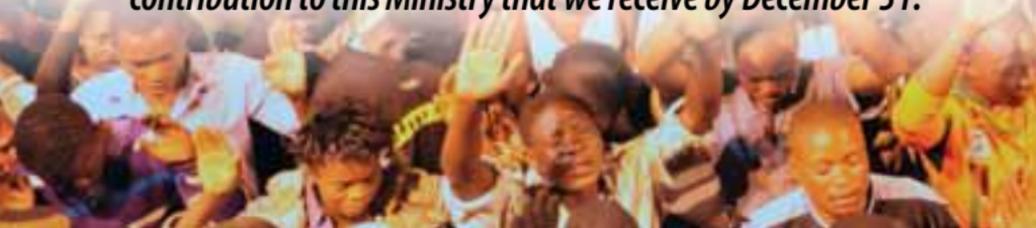

SOUND EQUIPMENT: Our sound equipment is old and worn. The other day when I was in Zambia I realized that over seven million people have received Jesus Christ having heard the Gospel preached through this PA system! We have used it to full effect, but now it is old and worn out. Many of the components are burnt out and the system is now operating at below 50% of its original capacity. To replace it with a system we need \$100,000.

TRUCK: Our big 30-ton truck has hauled our crusade equipment faithfully for many years. The tractor itself has 1,300,000 kms (800,000 miles) on it, but is still running well. The trailer however is now literally falling apart and will not last beyond the end of this year. A new trailer would cost us \$60,000.

PICK-UP TRUCKS: We have 2 Toyota Pick-up Trucks. They each have each gone around 400,000 kms (250,000 miles) and are costly to keep on the road. Two new ones would cost us \$74,000. However, we already have \$26,000 in the bank. We therefore only need \$48,000 to get two new vehicles.

In all, we need \$208,000 in order to buy all these much-needed pieces of equipment. This will help us win 10 Million more Souls for Jesus in the next 10 years.

Some very generous ministry partners have challenged us to raise \$ 100,000. These partners will match Dollar for Dollar each contribution to this Ministry that we receive by December 31.

Please help us to meet this challenge and thus raise the \$208,000 that is needed to replace our trucks and equipment so we can continue to preach the gospel message to millions. Please send your contribution, as you are led, before the end of December, so that we can meet this wonderful challenge and thus enable us to continue our outreach to the lost in Africa.

Could you prayerfully consider joining your faith with us by gathering some funds and sowing a sizeable seed into this endeavor for the Gospel? An added blessing for us would be if you could share this need with friends who have a heart for the Gospel, in case the Lord would also touch their hearts to join in and help us.

I sense this urgency in my heart. Too much is at stake here because this is about the eternal destiny of souls who MUST hear the Gospel. We have maintained a high momentum with 10 Gospel Crusades in Africa every year and I do not want us to slow

down or stop. This year, for the first time in 26 years we have had to cancel a crusade in order to make necessary repairs to some burnt-out components of our old PA system just to keep it going, and I do not want to ever have to do it again. Too much is at stake and multitudes of souls must be reached with the power of the Gospel of our Lord Jesus Christ!

Please join your faith with us, pray for us and help us!

In Christ Jesus,

Christopher Alam

Thank you for prayerfully considering making a donation before the end of the year that will be matched dollar for dollar, enabling us to get our equipment up and running properly again.
