Jesus Christ the Same *Yesterday, today and forever!*

Therefore, God elevated him to the place of highest honor and gave him the name above all other names, that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father. Philippians 2:9-11 (NLT)

In this newsletter, you will find a small sampling of the many ways that God's Spirit has moved and He has confirmed His Word with sign's, wonders, and miracles. As you read these excerpts, be encouraged and allow God to strengthen your faith in all He has provided for us through His Son, Christ Jesus!

January 2008 - God Made a Way in Luveve!

"..It is very humbling to see such things because it always reminds me of the fact that people do not get healed in our crusades because of "me" or "my anointing". People get healed because the Spirit of God grabs them, they put their faith in Jesus, and He touches them. Then Jesus says to them, "YOUR faith has healed you!" You see, it is because of Jesus and Jesus alone."

January 2001 – Beginning 2001 Victoriously

"Some people ask me, 'Christopher, why do you see so many miracles in your ministry?' The answer is the Gospel. When we pull out all the stops and preach the Gospel of Jesus, God is always there to confirm His Word with signs, wonders, and miracles. God's foremost interest is in seeing people saved. That is the very heartbeat of the Father. That is reason He sent Jesus into this world, so that sinners may be saved. That is the reason God poured out His Holy Spirit upon the church, that through the Holy Spirit we may receive power to be His witnesses and proclaim this Glorious Gospel to very ends of the earth."

May 2008 – Signs & Wonders in George, Zambia

“One miracle that really gripped me was when a young mother testified of what the Lord had done for her baby. The baby was

born with brain-damage and also had a paralyzed and immovable neck. The baby never made eye contact, never smiled, and never responded to her mother in any way.

On the first night of the crusade, Jesus touched this little baby, and the baby suddenly “came alive.” She smiled, followed her mother with her eyes, looked at, and

even reached out to touch her mother. She also made “baby-noises” and responded when her mother called her name.

The mother rejoiced since her baby had never done any of these things before, but the baby’s neck was still paralyzed and immovable. She kept on coming back to the crusade, and 2 nights later Jesus touched her again and the paralysis was gone. The baby was totally healed!”

April 2001 – And God Answered with Fire!

“Five year-old Mike Chuku was brought to the crusade by his mother. Mike was born without an arm. All he had was a little “flipper” growing out at the shoulder. When the power of God came upon the crowd the last night, God began to create a hand and arm that suddenly appeared and started to grow! By the end of the service the arm was about 8 inches (20 cm) long and still growing! The hand was perfectly shaped and normal! God had preformed a creative miracle!”

November 2008 – Harvest in Nkulumane!

“One night I preached on the name of Jesus. The people began to shout, “Jesus! Jesus! Jesus!” As they called out that worthy name, the power of God fell upon the crowd. All over the place demon possessed people began to fall on the ground screaming and miracles began to happen with many people being healed.

Nothing can stand against the mighty name of our Lord Jesus. This is because God has highly exalted Him and given to Him

the Name that is above every Name. When the believer speaks His name, demons tremble and diseases have to go!

Something similar took place a couple of nights later when I was preaching on the sufferings of our Lord Jesus upon the cross, when He bore upon Himself our sins and our diseases. Suddenly, in the middle of my message, demon possessed people began to fall down on the ground screaming as the devils came out of them, and many people were healed."

December 2004 – Revival Fires over Kwekwe!!!

"One of the most encouraging things was that there were now a number of pastors in the area who had received Jesus at our last crusade. One of them shared with me how he had been a street thug and gangster. He had come to our crusade 10 years ago to make trouble, but God gripped his soul and he ended up receiving Jesus. He is now serving God as a pastor!"

April 2006 – Multitudes Meet Jesus in Ngombe, Zambia

"Jesus touched one paralyzed woman who was carried in on a chair. She stood up and began to walk and run, and as she realized what the Lord had done for her, she began to weep. When she came up on the platform, she couldn't speak; she just cried, totally overcome by the grace and power of God. There was great rejoicing in Ngombe at the wonderful works of God!"

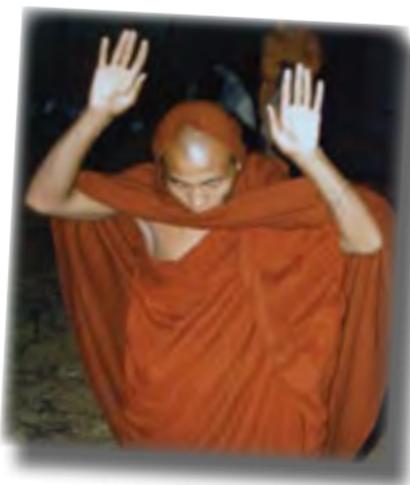

December 2005 – Miracles in Zomba, Malawi

"On another night, there was an incredible and outstanding miracle. An insane man was brought to the crusade by his son. He had suddenly lost his mind in 1982. He did not know who or where he was. He did not recognize anyone, not even his family. In addition, he had lost his speech and had not spoken in the past 23 years. He was totally vegetative and incommunicable. That night, Jesus touched him! He was instantly delivered, and he began to smile. He soon began to talk and converse! What a wonderful Jesus we serve! Who can do such things but Jesus?"

February 2001 – The Power of God in Taunggyi, Burma

“...One outstanding incident [during a crusade in Kyaukme, Burma] was the salvation of a Buddhist monk from the local monastery. Other monks ran in and tried to physically drag him off the field, but he stood strong in his newfound faith in Jesus!”
