2014 Annual Report

with vision & needs for 2015

"So then after the Lord had spoken unto them, he was received up into heaven, and sat on the right hand of God. And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following. Amen." Mark 16:19-20

2014 has been a great and exciting year for the Dynamis World Ministries. We look back at this year with thanksgiving for all things that our Lord has done. We thank Him for the countless multitudes of souls that we have seen come to the saving knowledge of our Lord Jesus Christ. We thank Him for the mighty signs, wonders, and miracles that have followed the Gospel message wherever we have gone.

A look back...

GOSPEL CRUSADES: We held 10 Gospel crusades in all this year: 4 in Africa, 2 in India, 2 in Indonesia, and 1 each in Ukraine and the Dominican Republic. We saw large multitudes of souls receive the Jesus Christ at our altar calls for salvation. Because it took us time to purchase and ready our new PA system and vehicles for our operation in Africa, we had to cancel our crusades in the first half of the year.

Entire towns and communities were shaken by the power of God. With effective pre-crusade training and post-crusade follow-up programs for the local churches, we saw revival break out after our crusades. Local churches grew and multiplied. We also saw tens of thousands receive the Baptism with the Holy Ghost and with Fire at in these crusades. We saw great multitudes healed from different kinds of diseases and infirmities, including those who were lame, blind, deaf and deaf-mute all healed by the power of God.

TEACHING AND PREACHING: I traveled all over the world teaching and preaching the Gospel in the United States, Europe, Africa, and Asia. Large numbers of people came to Jesus and many were saved.

CHURCHES: Our AWAKE Church movement has been growing with many new church plants. Right now we have 400 congregations in Africa and in England.

ORPHANAGE AND BIBLE SCHOOL: We have finished our new orphanage building and the dormitory for our Church Planting Bible School in Zimbabwe.

A special thank you...

Towards the end of last year, we saw that all our crusade equipment in Africa had become unserviceable as a result of years of use. Our sound system was burnt out and useless, our 30-ton trailer was unusable, and our two Toyota pick-up trucks had gone around 400,000 kms each and could not be used any more.

This made me stop and think, "I am soon turning 60. Is this God's way of saying that it is now time to close this chapter after 27 years of preaching the Gospel in Africa?"

Then I heard the Lord speak to my heart, "You have 10 more good years left for Gospel crusades and church-planting in Africa. Share this need with your friends, and see how I will move in people's hearts!"

We calculated that we needed \$208,000 USD. We had never been in a position before where we needed such a large amount of money so quickly and all at one time. Without this, our ministry in Africa would come to a total stop unless

we saw a miracle. As you all know, fund-raising has never been one of my strong points. Therefore to share our needs, we sent a simple email and letter to our friends called, "My Final Lap in Africa."

The response that we received was overwhelming. Within a short time we had all the funds that we needed to buy a new 30-ton trailer, 2 new Toyota Hi-Lux pick-up trucks, and a large new top-of-the-line sound system. The vehicles were purchased locally in Zimbabwe. But, it took us several months to get tax-exemption for the sound system from the Zimbabwe Government. It was worth the wait since the tax-exemption saved us \$55,000 USD! Finally, we were able to air-freight the entire system to Africa.

So we are now continuing with our Gospel crusades, and at the time of writing, we have just finished a massive harvest of souls in Maramba, Zambia.

Thank you very much for stepping up with your faith, generosity, and love and helping us with this!

We now need to purchase a new 460-horsepower Scania tractor unit for the new 30-ton trailer to make everything complete. Our old one is only 320-horsepower and it has gone 1.3 MILLION kilometers. It really struggles at 2 MPH when pulling its 30-ton load uphill. And, we do not dare take it out to primitive or far-away unreached places in Mozambique where we want to preach the Gospel.

People who buy commercial trucks normally use them until they are worn out before selling them. So, the only options we have are either to get a new one or one that is quite old and has seen better days. We cannot import one from the US because they drive on the left-hand side of the road in these countries, and we need a right-hand drive model.

URGENT NEED: Right now a new 460 HP Scania tractor bought in Zimbabwe with taxes and everything included is \$170,000 USD. We already have \$42,500 USD toward the cost, and so the total need remaining is \$127,500 USD.

Please pray about what the Lord would have you do to help us with this.

Thank you for your faithful sacrificial giving and support. We intend to faithfully press on with the Gospel – to tell the lost about Jesus and the salvation that He so freely offers to all!

May the Lord bless you this Christmas and New Year! May He fill your hearts with great vision, faith, and expectations for the coming year!

In Christ Jesus,
