Jesus purchased these souls with his blood.

Will you harvest them?

Dynamis World Ministries
Mobile Bible Schools
Prior to each crusade we hold a three week Mobile Bible School training program, which is organized and taught by our Africa Team. Each local church that desires to participate in the crusade must attend the Mobile Bible School. In addition to the pastor and leadership, a sizeable percentage of the members must also go through the training. To effectively strengthen the local churches beyond simply preparing for the crusade, we teach a wide range of subjects from faith and healthy marriages to how to disciple new converts. Ultimately, the purpose is to empower the local church and guide them in effective post-crusade follow-up and discipleship of the new believers.

School of Ministry and Children’s Crusades
Several times a year, a School of Ministry is held in conjunction with a crusade. During these schools, we equip and instruct hundreds of leaders and pastors at a time. There are also children’s crusades held alongside every Africa crusade. Crowds up to 3000 children attend and many give their lives to Jesus.

Crusades
We currently hold ten crusades a year where we see multitudes of people receive Jesus Christ as their Lord. Some are single crusades while others are double crusades, which are held back-to-back. Single crusades run from Tuesday to Sunday, and double crusades run from Tuesday through Sunday the first week and Wednesday through Sunday the second week.

We continually see God confirm His Word with signs, wonders, and miracles. Each crusade culminates with the opportunity for people to be baptized with the Holy Ghost and with Fire.

Jesus purchased these sins.
What will you sacrifice?
**Expenses**
Crusade expenses include the following: advertising and publicity; travel costs, which covers Christopher’s travel to Africa, as well as transporting our trucks and twenty-two tons of equipment to the crusade venue; housing and provisions for Christopher and our Africa Team while they are on the field during the Mobile Bible School and crusade(s); and follow-up materials, including various books and the Gospel of John.

**Purchased by the Blood**
We know that money can never purchase a soul. Souls are only purchased by the precious Blood of Jesus. However, God has planned that through the preaching of the Gospel, these souls that Jesus purchased with His blood can be harvested for His Kingdom.

**Budget**
In recent years, we have seen over a million people come to Jesus through our crusades annually. Our budget per crusade is $22,000, and a double crusade, or back-to-back crusade, is $35,000. Our annual crusade expenses total around $220,000 for ten crusades. This means that we have been harvesting these souls for a mere twenty-two cents each.

**Sponsor a Crusade**
Prayerfully consider making an investment with your business, or team up with your church, school, small group, or family to sponsor a crusade. Ask God to lead you and give you creative ideas to raise money to support the harvest of these precious souls!

If the Lord is leading you to sponsor a crusade you can make a donation using a credit card or send check or money order made payable to Dynamis World Ministries to the address on the back. For those making large donations you may make a wire transfer by calling our office at 717.656.3062 to obtain bank account and routing information.
South-east Asia Outreach
Dynamis World Ministries also has an ongoing ministry with an established base and team in a ‘closed’ country in South-east Asia. Each year, individuals train for six months at our Training Center for Church Planters and Pioneers. After which, we provide support for the graduates as they plant churches in the unreached areas of this nation. In addition to this, the team organizes several crusades a year which are accompanied by a School of Ministry, with hundreds of pastors attending. Working under persecution and very difficult circumstances, we have planted over one hundred new churches as a result of our crusades and training center graduates.
